FACT SHEET

TRICARE.MIL

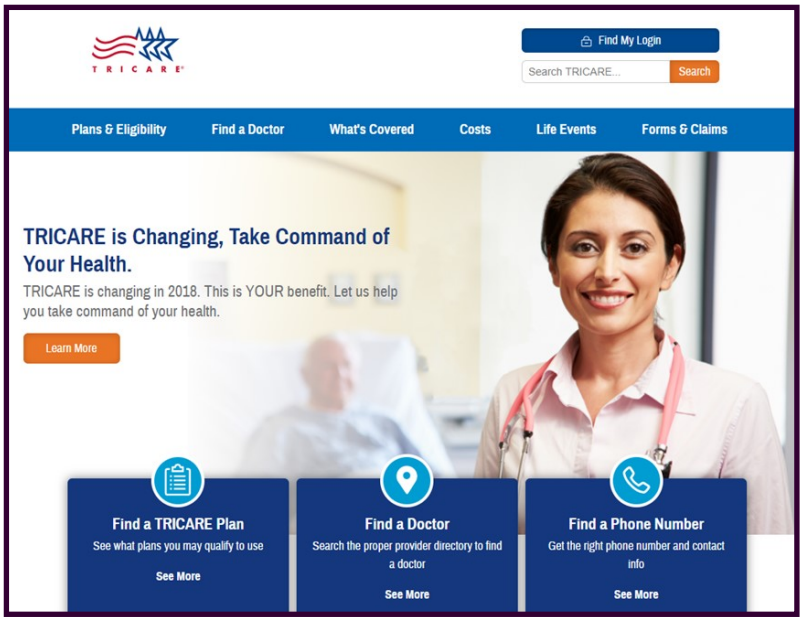
PUBLIC DoD HEALTHCARE PORTAL

TRICARE.mil is the public-facing website for the health care program for uniformed service members and their families around the world. Eligible beneficiaries include active duty and retired members of the U.S. Army, U.S. Air Force, U.S. Navy, U.S. Marine Corps, U.S. Coast Guard, the Commissioned Corps of the U.S. Public Health Service and the Commissioned Corps of the National Oceanic and Atmospheric Association and their families.

The TRICARE.mil website enables beneficiaries to take control of their personal health care. The site provides easy access to the latest TRICARE information anytime, from anywhere.

Beneficiaries can use the site to review information about TRICARE plans and eligibility, find doctors and contact information, see which medical procedures are covered, along with their costs and download and submit forms and claims.

The Web & Mobile Technology Program Management Office, a component of the Defense Health Agency Solution Delivery Division, is responsible for TRICARE.mil operational sustainment and maintenance support.



Key Benefits

- Enables beneficiaries to take command of their personal health care
- Delivers easy 24/7 access to the latest TRICARE information
- Provides TRICARE users key information, forms and points of contact for a wide range of personal health care topics

Key Features

- Custom tools
- Tailored content on demand
- Information on TRICARE plans
- Searchable doctor index
- Key phone numbers, points of contact
- Lists of covered medical procedures and their costs
- Medical forms and claims
