CONTRACT DATA REQUIREMENTS LIST

(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

Block 12 - No later September 1 of the first year of health care delivery
Block 13 - No later than March 1 and September 1 of each year

The contractor shall electronically submit a Cancer Clinical Trial Report. The semiannual report shall outline the number of TRICARE patients enrolled in each protocol and the outcome. The report shall indicate the date the TRICARE beneficiary was accepted into the protocol and the patient shall be carried on the report until the demonstration ends. The report shall also include a list of patients who were denied enrollment and the reason for each denial.
