## Otis Historical Archives

### OHA 131 Carswell Air Force Base Collection

**Date of Records:** 1980s

**Size:** 2 cubic feet, 3 boxes

**Finding Aid by:** Eric W. Boyle

**Access and Use:** The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Some of the records may contain restricted material. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

**Series/Scope and Content Note:** This collection consists of photographs and slides transferred to the Museum when Carswell closed its medical illustration and photography section. Includes prints and slides of medical supplies and equipment; Carswell hospital events, staff, and facilities; presentations on medical topics; and training sets. The two series are divided by type of material and are organized chronologically.
