

UF BPA Appendix for the November 2012 DoD P&T Meeting
 Uniform Formulary Price Quotes and
 Uniform Formulary Blanket Purchase Agreements (BPA)

The following Condition Sets, as authorized at each listed UF Drug Class Page, identify the conditions under which UF BPA price quotes are to be submitted by the Company.

The Company must submit a separate, complete UF BPA price quote for each NDC that applies to the Company's pharmaceutical agent(s) in a given drug class.

Medications placed on the Uniform Formulary but not BCF or ECF are available for the local Military Treatment Facility P&T to decide whether to place on their individual formulary.
