2025 FAST Home Study (v2026)

Continuing Education Credits

We are proud to offer a variety of CE/CME credits for the 2025 Federal Advanced Skills Training Home Study (v2026). The Home Study is broken down into 3 parts: Part 1 (6 clock hours), Part 2 (6.5 clock hours), and Part 3 (6.5 clock hours). Please use this guide to access our online curriculum and request CE/CME credits from the appropriate organization.

1. Log into Reach 360 to get started:
 - a. <https://eace.reach360.com/register/ce20f45b-b7b1-4093-8674-e4bf09549c8b>
 - b. To register, follow prompts to create login credentials. See PDF titled “How to Access the EACE Reach 360 LMS” for details.
2. Once you arrive at the **My Learning** page, click on **Browse Library** in the top right corner.
3. To locate the 2025 FAST Home Study (v2026) course in the library, select **All Types** and then **Learning Paths**.
4. Select each course to complete - Part 1, Part 2, and Part 3.
5. At the end of each course, learners will be directed to CE/CME-specific links based on their credentialed specialty.

The following information is covered in the CE/CME credit section of each module and is here for visibility as well.
