

The Extremity Trauma and Amputation Center of Excellence (EACE)
is proud to host the monthly

Limb Trauma Educational Series

Cassandra Delgado, MSPO, CPO

Topic: *Prosthetic Treatment for Patients Undergoing GLP-1 Medication Therapy*

Presenter:

Cassandra Delgado, MSPO, CPO

Live Session: September 23, 2026, at 12:00 PM ET

This session will explore the clinical impact of GLP-1 medications on individuals with limb loss, including rapid weight loss, limb volume changes, and prosthetic management considerations. Attendees will review original research, real-world case studies, and multidisciplinary treatment strategies to optimize patient outcomes.
