TRANSITIONAL PRIME SERVICE AREAS

The following represent T-3 Prime Service Areas which are expanded with Transitional Prime Service Area Zip codes as a result of the differences between TNEX and T-3 Prime Service Area methodology. The Zip codes will be designated on the A080 List of PSA Zip Codes Report as shown in the columns labeled PSA Identifier and Area Name in the table below. Four instances exist wherein the Transitional Prime Service Area Zip codes no longer align to their TNEX Prime Service Areas as these Zip codes are no longer immediately adjacent to the TNEX Prime Service Areas: 1) Transitional Prime Service Area Zip codes formerly associated with Naval Health Clinic Great Lakes are now aligned with Glenview-T; 2) those formerly associated with USCG Yorktown are now aligned with Dahlgren-T; 3) those formerly associated with Carlisle Barracks are now aligned with Indian Gap AHC-T; and 4) those formerly associated with Naval Health Clinic - Patuxent River are now aligned with Dahlgren-T.
