

Job Summary

Veterinarian Series GS-701

Job summary For this series, Veterinarians supervise, lead, or perform work in the field of veterinary medical science. The work involves promoting the health and welfare of both animals and the public through diagnosis, treatment, prevention, and understanding of animal diseases; conservation of animal resources; and advancement of veterinary medical knowledge.

Education Degree: Doctor of Veterinary Medicine (DVM) or equivalent degree, Veterinary Medical Doctor (VMD).

Licenses or Certificates Board Certification by the American Board of Veterinary Specialties (ABVS) of the American Veterinary Medical Association (AVMA). Veterinarians who successfully complete all requirements for diploma status in an ABVS-recognized veterinary specialty organization may qualify for the GS-13 grade level.
