

## Online learning

### Military Health System Learn (MHS Learn)

**MHS Learn is a Web-based, e-learning portal delivering worldwide, timely training to military and civilian health care personnel.**

#### Product Feature

- Provides global Web-based training, webinars and discussion forums to 300 thousand registered customers and 9.6 million TRICARE patients 24/7/365

#### Benefits to the Defense Health Agency

- Offer enterprise-wide training and reporting of that training to Defense Health Agency leadership
- Offer unified course cataloging and classes worldwide to those treating or providing care to service members
- Promote continuing education and content sharing with the Uniformed Services and the Department of Veterans Affairs
