

**DHA Industry Day FY17 Year-end Forecast  
by Projected Delivery or Service Start Date  
8 May 2017**

**J-1/J-8 Requirements**

| Acquisition Strategy | Requirement Type | Anticipated Total Value Range    | Description  | J-Directorate                    | Projected Delivery Date or Service Start Date |
|----------------------|------------------|----------------------------------|--|----------------------------------|---|
| TBD                  | Existing         | \$150K or More & Less Than \$10M | Support for DHA Manpower & Organization Division     | J-1/J-8 Resources and Management | 7/28/17                                       |
| TBD                  | Existing         | TBD                              | GFEBs PMO  | J-1/J-8 Resources and Management | 7/31/17                                       |
| TBD                  | Existing         | \$150K or More & Less Than \$10M | DHA Space Planning, Facilities and Portfolio Support | J-1/J-8 Resources and Management | 9/30/17                                       |
| TBD                  | Existing         | TBD                              | FFE - New Furniture for DCOE, Silver Spring, MD      | J-1/J-8 Resources and Management | TBD   |
| TBD                  | Existing         | \$150K or More & Less Than \$10M | Move Management for HIT Staff in SATX                | J-1/J-8 Resources and Management | TBD   |

**J-3 Requirements**

| Acquisition Strategy | Requirement Type | Anticipated Total Value Range      | Description  | J-Directorate             | Projected Delivery Date or Service Start Date | Total Number of Years for Contract |
|----------------------|------------------|------------------------------------|--|---------------------------|---|------------------------------------|
| TBD                  | New              | \$150K or More & Less Than \$10M   | National Surgical Quality Improvement Program  | J-3 Healthcare Operations | 5/12/17                                       | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Warrior Care Program Support Contract  | J-3 Healthcare Operations | 5/17/17                                       | 1                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | Recovery Coordination Program (RCP)  | J-3 Healthcare Operations | 5/17/17                                       | 1                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | WCP Disability Evaluation Support  | J-3 Healthcare Operations | 5/17/17                                       | 1                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | DoD Medical Materiel Enterprise Standardization Office                                   | J-3 Healthcare Operations | 5/28/17                                       | 3                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | DoD Medical Materiel Enterprise Standardization Office                                   | J-3 Healthcare Operations | 5/28/17                                       | 3                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | DoD Medical Materiel Enterprise Standardization Office                                   | J-3 Healthcare Operations | 5/28/17                                       | 3                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Legal Medicine Support   | J-3 Healthcare Operations | 6/8/17  | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Portfolio Management & Requirements Repository Application Tool Support                  | J-3 Healthcare Operations | 6/15/17                                       | 5                                  |
| TBD                  | New              | Zero to \$150K                     | Association of Professionals in Infection Control and Epidemiology                       | J-3 Healthcare Operations | 6/28/17                                       | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | Clinical Support Division Support Contract   | J-3 Healthcare Operations | 7/1/17  | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Knowledge Management for Prenatal and New Parents  | J-3 Healthcare Operations | 7/1/17  | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Population Health Management Program   | J-3 Healthcare Operations | 7/1/17  | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Web-based strategy management system   | J-3 Healthcare Operations | 7/29/17                                       |                                    |
| TBD                  | New              | Zero to \$150K                     | SAS Licenses   | J-3 Healthcare Operations | 7/31/17                                       | 1                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | DoD/FDA Shelf Life Extension Program   | J-3 Healthcare Operations | 8/11/17                                       | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Dell Server Hardware Refresh   | J-3 Healthcare Operations | 8/12/17                                       | 1                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Clinical Engineering Support Svcs  | J-3 Healthcare Operations | 8/21/17                                       |                                    |
| TBD                  | New              | More Than \$10M & Less Than \$100M | High Reliability Program Integration Office  | J-3 Healthcare Operations | 8/22/17                                       | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | TRICARE Quality Management Contract  | J-3 Healthcare Operations | 9/1/17  | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | Knowledge Translation  | J-3 Healthcare Operations | 9/15/17                                       | 5                                  |
| TBD                  | New              | Zero to \$150K                     | IDES Survey (GSA TO#17)  | J-3 Healthcare Operations | 9/21/17                                       | 3                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Medical Management Decision Support  | J-3 Healthcare Operations | 9/25/17                                       | 5                                  |
| TBD                  | New              | Zero to \$150K                     | Clinical and Laboratory Standards Institute  | J-3 Healthcare Operations | 9/27/17                                       | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | Program Management Support for Clinical Communities                                      | J-3 Healthcare Operations | 9/28/17                                       | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | T2 Mission Support   | J-3 Healthcare Operations | 9/28/17                                       | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | Patient Safety Analysis Center Support   | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Perinatal Quality Improvement  | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |
| TBD                  | New              | Zero to \$150K                     | National Quality Forum   | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | T2 IT Development  | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Psychological and Behavioral Health - Tools for Evaluation, Risk & Management (PBH-TERM) | J-3 Healthcare Operations | 9/29/17                                       | 3                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Wireless Devices   | J-3 Healthcare Operations | 9/29/17                                       | 1                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | Integrative Planning Support   | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |
| TBD                  | New              | More Than \$10M & Less Than \$100M | Information Management/Information Technology  | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | TBI Initiative   | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |
| TBD                  | New              | \$150K or More & Less Than \$10M   | Senior Administration Support  | J-3 Healthcare Operations | 9/29/17                                       | 5                                  |

| Recompete            | Existing         | TBD                              | MHS Policy Development and Implementation (MHS PDIS)                | J-5 Strategy, Plans & Functional Integration | TBD   |

**J-6 Requirements**

| Acquisition Strategy | Requirement Type | Anticipated Total Value Range    | Description  | J-Directorate                     | Required Delivery Date or Service Start Date | Total Number of Years for Contract |
|----------------------|------------------|----------------------------------|--|-----------------------------------|--|------------------------------------|
| TBD                  | New              | \$150K or More & Less Than \$10M | Either extend SPAWAR Remedy support contract or create NEW Remedy support contract. (\$1M) | J-6 Health Information Technology | 6/1/2017                                     | 1                                  |

**DHA Industry Day FY17 Year-end Forecast  
by Projected Delivery or Service Start Date  
8 May 2017**

| Acquisition Strategy | Requirement Type | Anticipated Total Value Range      | Description  | J-Directorate                     | Projected Delivery Date or Service Start Date |   |
|----------------------|------------------|------------------------------------|--|-----------------------------------|---|---|
| TBD                  | New              | TBD                                | <p>The Special Medical Units (SMUs) are responsible for the medical needs of special operations forces and senior leadership. Specific MTF level and non-MTF level SMUs are responsible for capturing, managing, and sharing health information from the theater of operations to the home front. DHA supports the delivery of integrated, affordable, and high quality health care services to MHS beneficiaries. Within DHA, the Health Information Technology Directorate is responsible for providing, supporting and where appropriate innovating information technology solutions used by DHA and the MHS.</p> <p>The DHA currently provides a number of SMU support services to the WHMU, in addition to numerous other theater based programs and projects. Currently, these activities include but are not limited to deployment, maintenance and enhancement of the Electronic Health Record (EHR) system, piloting and implementing both a EHR Telehealth Mobile platform in addition to a medical business intelligence solution, and implementing and managing the Theater Medical Information Program-Joint (TMIP-J) suite of systems. Moving forward, the scope will include a fully enhanced program office lifecycle support capability which will include the planning, programming, budgeting, implementation and maintenance of new theater based research and development (R&amp;D) and operational initiatives</p> | J-6 Health Information Technology | 9/15/2017                                     | 5 |
