

# For **offline** medication content, turn to the **Micromedex** app suite for access to:

- *NeoFax Reference*
- *Pediatric Reference*
- *IV Compatibility*
- *Drug Interactions*
- *Drug Reference*

Step 1: While on the DHA network or logged in through your OpenAthens remote access account, click on "Merative Links" on the DynaMedex site.

Step 2: Click on "Mobile Application Access" link in the top right corner.

Step 3: Click on "Micromedex Native Apps" to find installation instructions and **activation codes**.
