## PUBLIC DOD HEALTH CARE WEBSITE

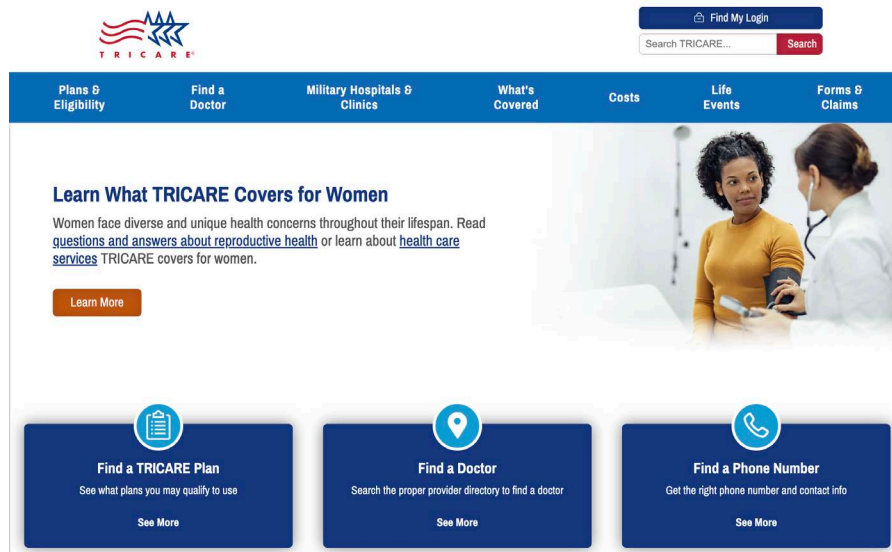

**TRICARE.mil provides service members and their families access to information about the TRICARE health care program.**

The TRICARE.mil website provides easy access to the latest TRICARE information allowing beneficiaries to take command of their health care anytime and from anywhere in the world. Beneficiaries can use the site to review information about TRICARE plans and eligibility, find doctors and contact information, review coverage and costs, and download forms.

Eligible beneficiaries include active duty and retired members of the uniformed services, the Commissioned Corps of the U.S. Public Health Service and the Commissioned Corps of the National Oceanic and Atmospheric Association and their families.

The Web & Mobile Technology Program Management Office is responsible for the technical development and maintenance of TRICARE.mil. The Defense Health Agency Strategic Communications Division oversees development and is responsible for content and design, navigation and analysis, and overall end user experience and satisfaction.
