

REVIEW OF JPC IMPLEMENTATION PLAN BY THE DHB

Joseph E. Kelley, MD

**Deputy Assistant Secretary for Clinical &
Program Policy**

OSD Health Affairs

September 5, 2008

QUESTION TO THE BOARD

“...I would like the Defense Health Board to review DoD’s strategic plan for the establishment of the Joint Pathology Center and provide its opinion on the plan’s appropriateness and feasibility....the Board should keep in mind the BRAC Commission report and subsequent legislation. I welcome any recommendations that would enhance DoD’s plan.”

Joseph Kelley, MD
