RHC-P Mission

MISSION: Army Medicine provides sustained health services in support of the Total Force to enable readiness and conserve the fighting strength while caring for our Families, civilians and Soldiers for Life.

VISION: Army Medicine is the Nation’s premier expeditionary and globally integrated medical force ready to meet the ever-changing challenges of today and tomorrow

PRIORITIES:
- Readiness & Health
- Healthcare Delivery
- Force Development
- Take Care of Ourselves, Soldiers for Life, DAC & Families

US INDO-PACOM

MISSION: With allies and partners, U.S. Indo-Pacific Command is committed to enhancing stability in the Asia-Pacific region by promoting security cooperation, encouraging peaceful development, responding to contingencies, deterring aggression, and, when necessary, fighting to win.

VISION: A joint combatant command directing, integrating, and employing ready, credible military capability in peace, crisis or war to advance U.S. interests as an active partner in pursuit of a secure prosperous and democratic Asia-Pacific community.

PRIORITIES:
- Warfighting Readiness
- Regional Engagement
- Force Presence and Posture
- Quality of Life

USAR PAC

MISSION: USARPAC is to posture and prepare Army forces, sustain and protect those forces in theater, support the development of an integrated Joint force across domains, and builds military relationships that develop partner defense capacity IOT contribute to a stable and secure Pacific Command area of responsibility.

VISION: One Team – America’s Theater Army in the Indo-Asia-Pacific enabling the Joint Force to assure security, stability, and strategic options. A Ready, Responsive Team!

PRIORITIES:
- Readiness-Ensure a Combat Credible Force
- Dynamic Forward Posture
- Strengthen and Build Alliances and Partnerships
- Innovative and Agile Teams

US ARMY

MEDCOM

MISSION: To provide Combatant Commanders with medically ready forces and ready medical forces conducting health service support in all phases of military operations.

VISION: To be the premiere health force that is the best-trained and equipped to support the Nation's call.

PRIORITIES:
- Enable Readiness and Health
- Healthcare Delivery
- Develop Organizations, Leaders, and Soldiers
RHC-P serves as the single US Army medical mission command authority and represents the AHS in the Indo-Pacific Command Area of Responsibility.
