TRICARE Costs

- TRICARE costs are subject to change.
- Go to www.tricare.mil/costs for the most up-to-date cost information.
- Special conditions for differing costs may exist.

Beneficiary Categories: Group A and Group B

All beneficiaries fall into one of two categories based on when you or your sponsor entered the uniformed services. Each group pays different costs and fees.

- **Group A:** If your or your sponsor's initial enlistment or appointment occurred before Jan. 1, 2018, you are in Group A.
 - While enrolled in a premium-based plan (TRICARE Reserve Select, TRICARE Retired Reserve, TRICARE Young Adult, and the Continued Health Care Benefit Program), Group A beneficiaries follow Group B deductibles, cost-shares, and catastrophic caps.
- **Group B:** If your or your sponsor's initial enlistment or appointment occurred on or after Jan. 1, 2018, you are in Group B.

- There are no out-of-pocket costs when using the ADDP, but there are processes that must be followed before using the program.
 - All care requires an appointment control number (ACN) from the ADDP contractor, United Concordia Companies, Inc. (United Concordia) prior to getting care. Some services require pre-authorization (for example, crowns, bridges, dentures, and periodontal treatment).
 - Active duty service members (ADSMs) may be responsible for the cost of care if they don't get an ACN or pre-authorization from United Concordia before getting care.
- **ADDP CONUS (continental United States) Locations**
 - CONUS non-remote: ADSMs can only seek care from a civilian dentist if an emergency or referred by a military dental clinic, also known as a military dental treatment facility.
 - CONUS remote (must live and work 50 miles from duty location): ADSMs must use a network dentist unless approved by United Concordia prior to getting care.
