

OMNIBUS IV Indefinite Delivery/Indefinite Quantity Military Medical Research and Development

Jenny Kaczynski, PM

Cathy Haight, COR

24 July 2023

Purpose

- Background and Current
- Scope
- Market Segments and 56 Contractors
- Market Segments and Proficiency Areas
- Buy vs. Doesn't Buy
- How to Obtain Award
- References
- POCs

Background and Current

OMNIBUS I, II and III

- 9+ years, ended in 2017
- ~\$1 billion in contracts

OMNIBUS IV

- Awarded in June 2022
- Enhance medical research and development programs
- Translation science support and services
- Primarily RDT&E, other funds based on Task Order (TO) and scope determination
- Base Awards made by Market Segment—may include more than 1 Market Segment and Proficiency Area

Scope: OMNIBUS IV Contract: IDIQ \$10B over 10 years

10 PROGRAM AREAS

1. Medical Simulation Technologies
2. Infectious Diseases
3. Military Health, Performance and Recovery
4. Joint Battlefield Healthcare
5. Radiation Health Effects
6. Clinical and Rehabilitative Medicine
7. Chemical and Biological Readiness
8. Clinical Investigations, Graduate Health Science Education, and Military Health System Research
9. Genomics and Omics-Based
10. Emerging Science and Technology

Improving Health and Building Readiness. Anytime, Anywhere — Always

4 Market Segments and 56 Contractors

Market Segment 1: Research and Development Contractors

Contractor Awarded Name

Applied Research Associates, Inc.
Battelle Memorial Institute
Chenega Health Care Services, LLC
Enterprise Resource Planning International, LLC
ForesiteLabs, LLC
General Dynamics Information Technology, Inc.
Goldbelt C6, LLC
Henry M. Jackson Foundation for the Advancement of Military Medicine, Inc.
ICON Government and Public Health Solutions, Inc.
Irving Burton Associates, LLC
Laulima Government Solutions, LLC
Leidos, Inc.
LMI Consulting, LLC
Lovelace Biomedical Research Institute
Mantech Advanced Systems International, Inc.
Military Health Research Foundation
Research Triangle Institute
Systems Plus, Inc.
Techwerks, LLC
Teledyne Brown Engineering, Inc.
Universal Consulting Services, Inc.
University of Pittsburgh
Vysnova Partners, Inc.
Wake Forest University Health Sciences

Market Segment 2: Research and Development Support Services Contractors

Contractor Awarded Name

Allied Technologies and Consulting, LLC

AVOSYS Technology, Inc.

Axiom Resource Management, Inc.

Battelle Memorial Institute

Booz Allen Hamilton, Inc.

Broadstar LLC

Caduceus Healthcare, Inc.

Camris International, LLC.

Chenega Health Care Services, LLC

Cherokee Nation Operational Solutions, LLC

Cortina Solutions LLC

Credence Dynamo Solutions LLC

Credence Management Solutions LLC

Deloitte Consulting LLP

Enterprise Resource Planning International, LLC

General Dynamics Information Technology, Inc.

Goldbelt C6, LLC

Henry M. Jackson Foundation for the Advancement of Military Medicine, Inc

ICON Government and Public Health Solutions, Inc.

Irving Burton Associates, LLC

Kapili Services, LLC

Knowesis, Inc.

Leidos, Inc.

LMI Consulting, LLC

Mantech Advanced Systems International, Inc.

MicroHealth, LLC

Military Health Research Foundation

MPF Federal, LLC

Odyssey Systems Consulting Group, LTD.

Parsons Government Services

PGDMS, LLC

PM Consulting Group LLC

Potomacwave Consulting, Inc.

RB Consulting, Inc.

Research Triangle Institute

Shadowbox Consulting Associates, LLC

Systems Plus, Inc.

Techwerks, LLC

Tunnell Consulting, Inc.

Universal Consulting Services, Inc.

Venesco, LLC

Vysnova Partners, Inc.

Webworld Technologies, Inc.

Zcore Business Solutions, Inc.

Market Segment 3: Regulatory Processes Contractors

Contractor Awarded Name

Battelle Memorial Institute
Booz Allen Hamilton, Inc.
Chenega Health Care Services, LLC
General Dynamics Information Technology, Inc.
Goldbelt C6, LLC
Henry M. Jackson Foundation for the Advancement of Military Medicine, Inc
ICON Government and Public Health Solutions, Inc.
Kapili Services, LLC
Leidos, Inc.
LMI Consulting, LLC
Lovelace Biomedical Research Institute
Mantech Advanced Systems International, Inc.
Military Health Research Foundation
Odyssey Systems Consulting Group, LTD.
PPD Development, L.P.
Systems Plus, Inc.
Techwerks, LLC
Vysnova Partners, Inc.
Wake Forest University Health Sciences

Market Segment 4: Translational Science Support and Services Contractors

Contractor Awarded Name

Battelle Memorial Institute

Booz Allen Hamilton, Inc.

Caduceus Healthcare, Inc.

Cherokee Nation Operational Solutions, LLC

Cognosante, LLC

Concourse Federal Group, LLC

Deloitte Consulting LLP

Enterprise Resource Planning International, LLC

Sigma Health Consulting, LLC

Systems Plus, Inc.

Techwerks, LLC

Universal Consulting Services, Inc.

University of Pittsburgh

Vysnova Partners, Inc.

Zcore Business Solutions, Inc.

Market Segments & Proficiency Areas

MARKET SEGMENT 1: RESEARCH & DEVELOPMENT (R&D)

1. Collaborations in DoD Medical Research
2. Transitioning of Programs through Funding Continuum
3. Maintenance of Quality, Safety, Security, and Surety Standards
4. Success in Research Deliverables and Outcomes applying all Federal (e.g., HHS and FDA) and DoD Rules and Regulations

MARKET SEGMENT 2: R&D SUPPORT SERVICES (R&D SS)

5. Administrative Support Services
6. Information Technology Support Services
7. Scientific & Technical Support Services
8. Facilities Support Services
9. Medical Services Support
10. Supplies & Equipment
11. Logistical Support Services
12. Task Order Administrative, Technical & Other Support

Market Segments & Proficiency Areas (cont.)

MARKET SEGMENT 3: REGULATORY PROCESSES (RP)

13. Animal Use Programs & Vivaria
14. Research Involving Human Subjects
15. DoD Use of Investigational Products
16. Title 21 (Food & Drug Administration)
17. Federal & DoD Privacy
18. Technology Transfer

MARKET SEGMENT 4: TRANSLATIONAL SCIENCE SUPPORT & SERVICES (TS S&S)

19. Pre-Transition Support
20. Transition Support
21. Evidence-based Solution Development
22. Dissemination Strategies, Processes, and Evidence-based Practices
23. Implementation Strategies, Processes, and Evidence-based Practices
24. Evaluation Strategies, Plans, and Execution

Omnibus IV: Buys/Doesn't Buy Examples

- Buys
 - TOs from a variety of funding sources
 - Translational science support and services (new)
 - World-wide (mostly!) TOs
 - Access to 56 Primes with unrestricted opportunities for subcontracting (IAW FAR)
- Doesn't Buy
 - Requirements not related to Medical R&D (as per SOO)
 - Grants
 - IPAs
 - OTAs
 - Personal Services, unless PCO approved

How to Obtain Award?

Requirements Owner

- Identifies requirement
- Confirms funds available
- Prepares PWS/SOO/SOW (as applicable) with Task Order Contracting Officer (TOCO or TOKO)
- Requests scope determination from TOCO
- TOCO or TOKO
 - Submits scope determination request (dropbox)
 - Works with OIV PCO authorization to use contract
 - Works with requirement owner to accomplish solicitation
 - Appoints Task Order (TO) COR and provides TO documentation to PCO
 - Releases RFP in Symphony
- Task Order COR: Executes COR duties as specified by the TOCO
