Group A

If your or your sponsor's initial enlistment or appointment occurred **before** Jan. 1, 2018

Group B

If your or your sponsor's initial enlistment or appointment occurred **on or after** Jan. 1, 2018

Eligibility and Enrollment

- Most TRICARE programs require enrollment. You may also need to submit an enrollment form or call the Beneficiary Support Center.*
- If you're eligible for premium-free Medicare Part A, you must also have Medicare Part B to keep TRICARE coverage—even in overseas locations where Medicare coverage doesn't apply.

* *Active duty service members must enroll in a TRICARE Prime Overseas option. Non-activated National Guard and Reserve members may qualify to purchase TRICARE Reserve Select.*

- Certain services require pre-authorization, including:
 - Adjunctive dental services
 - Extended Care Health Option services (ADFMs only)
 - Nonemergency inpatient admissions for substance use disorders and mental health care
 - Solid organ and stem cell transplants

Retroactive Authorization

- Retroactive authorization allows TRICARE Prime Overseas family members up to three days after a nonemergency health visit to request a referral from your PCM.
