TRICARE and Medicare Eligibility

Keep DEERS Information Up To Date

Being able to use TRICARE depends on keeping DEERS up to date.

Update DEERS after you have a life event, like getting married or divorced, moving, giving birth, adopting a child, retiring, and other changes.

Go to an ID Card Office
(<https://idco.dmdc.osd.mil/idco>)

Note: You must use this option to add family members in DEERS.

Log in to <https://milconnect.dmdc.osd.mil>.

Call 800-538-9552.

Fax 800-336-4416.

Dual Eligibility

- TRICARE beneficiaries who are eligible for Medicare Part A (inpatient services), regardless of the reason, **must** have Medicare Part B coverage (outpatient services) to remain eligible for TRICARE.
- Exceptions:
 - Active duty service members and active duty family members
 - Beneficiaries who have purchased TRICARE Young Adult, TRICARE Reserve Select, or TRICARE Retired Reserve, and those enrolled in the US Family Health Plan or TRICARE Plus

Note: TFL beneficiaries with Medicare Part A and Part B can enroll in TRICARE Plus. Enrolling in TRICARE Plus doesn't negate the requirement to have Medicare Part A and Part B.

Eligible for Medicare Part B under Age 65

- If your Medicare eligibility is based on a disability:
 - Your Medicare eligibility begins after 24 months of Social Security disability insurance. The 24-month waiting period doesn't apply to beneficiaries with amyotrophic lateral sclerosis (also called Lou Gehrig's disease).
- If you have end-stage renal disease:
 - You must sign up for Medicare to remain TRICARE-eligible. Medicare begins the first day of the fourth month of dialysis treatments.
 - Medicare may begin as early as the first month of dialysis if you participate in a home dialysis training program and you do home dialysis treatments.
 - If you have a kidney transplant, your eligibility begins the month the transplant is performed, or earlier.

Eligible for Medicare Part B at Age 65

- Five months before your 65th birthday, you'll receive a notification from the Defense Manpower Data Center informing you of the requirement to sign up for Medicare.
- DO NOT decline Medicare Part B. If you decline:
 - You may not be eligible for TRICARE.
 - You can enroll in Medicare Part B later, but you may have to pay a premium surcharge for late enrollment.

Not Eligible for Premium-Free Medicare Part A

- If you're **not eligible** for premium-free Medicare Part A under your own earnings record, you'll receive a “Notice of Award” and/or “Notice of Disapproved Claim.”
- If you're married, you must also file for Medicare Part A under the earnings record of your spouse (including divorced or deceased spouses) aged 62 or older.

Reflecting Medicare Eligibility in DEERS

- DMDC receives weekly updates from the Centers for Medicare & Medicaid Services that identify TRICARE beneficiaries who are eligible for Medicare.
- To confirm that your DEERS record has been updated, visit <https://milconnect.dmdc.osd.mil> or contact the DMDC Support Office at 800-538-9552.
- If you're not eligible for premium-free Medicare Part A under your own SSN or your current, divorced, or deceased spouse's SSN, take your “Notices of Award” and/or “Notices of Disapproved Claim” to the nearest ID Card Office to update your DEERS record.
 - You may be issued a new Uniformed Services ID card when you update DEERS with your Medicare information.

TRICARE Plan Options

- TRICARE Prime/US Family Health Plan

TRICARE Prime[®] and Medicare Eligibility

- TRICARE Prime enrollment fees are waived for Group A beneficiaries with Medicare Part B.
- With TRICARE Prime, you won't need to file claims in most cases. Present your Medicare card and military ID at the time of service. Your provider should file claims with Medicare.
- Overseas, claims should be filed with the TRICARE Overseas Program claims processor for the area where care was received.
- The TRICARE Prime benefit is administered by regional contractors.

TRICARE For Life

- TRICARE For Life is available to TRICARE beneficiaries who have Medicare Part A and Medicare Part B, regardless of age or place of residence.

 - If you have OHI, you're responsible for filing a claim with WPS after Medicare and OHI have processed and paid their portion of the claim.

TRICARE For Life

Provider Types

Provider Type	Definition
Medicare Participating	Accepts the Medicare-approved amount as payment in full.
Medicare Nonparticipating	Doesn't accept the Medicare-approved amount as payment in full and may charge up to 15% above the Medicare-approved amount, a cost that is covered by TFL.
Opt-Out	Medicare doesn't pay for healthcare services you receive from opt-out providers. TFL pays the amount it would have paid (normally 20% of the allowable charge) if Medicare had processed the claim, and you're responsible for paying the remainder of the billed charges.
U.S. Department of Veterans Affairs	VA providers can't bill Medicare and Medicare cannot pay for services received from the VA. If you're eligible for both TFL and VA benefits, you'll incur significant out-of-pocket expenses when seeing a VA provider for health care not related to a service-connected injury or illness.

Medicare Card

- TRICARE doesn't issue a health insurance card for TFL.
- When receiving care, show your Medicare card along with your uniformed services ID card.
- To protect you from identify theft, new Medicare cards no longer display social security numbers. This change went into effect in April 2018.

How TFL Works

- Visit your Medicare participating or non-participating provider for care.
- Your provider files a claim with Medicare.
- Medicare pays its portion and sends the claim to WPS.
- WPS pays the remaining amount to your provider for services covered by Medicare and TRICARE.
- You get a *Medicare Summary Notice* from Medicare and an explanation of benefits from TRICARE.

Note: TRICARE is the primary payer for TRICARE-covered services received in areas where Medicare is not available (e.g., overseas). Expect to pay up front and file a claim with the TOP claims processor for reimbursement.
