

The Extremity Trauma and Amputation Center of Excellence (EACE)
is excited to host Dr. Denman at the monthly

Limb Trauma Educational Series

Monthly Topic: **Psychological First Aid**

Live Session: July 23rd, 2025 at 12:00 PM ET

Dr. Deanna Denman is a Clinical Health Psychologist at the US Army Institute of Surgical Research Burn Center where she specializes in trauma recovery and behavioral health in medical rehabilitation settings. Her expertise lies in trauma-informed care, non-pharmacological pain management, and recovery from traumatic injuries. Dr. Denman has extensive clinical experience with burn and orthopedic injury patients, integrating evidence-based approaches—including motivational interviewing—to support adjustment, pain management, and long-term recovery.

Continuing education credits available

Deanna Denman, PhD
