

National Museum of Health and Medicine

Otis Historical Archives

OHA 38

Museum Records: Articles and Clippings

Date of Records: 1863-Present

Size: 5 linear feet, 9 boxes

Finding Aid by: Eric W. Boyle (2013)

Access and Use: The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Some of the records may contain restricted material. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

Series/Scope and Content Note: This collection consists primarily of newspaper, magazine, and journal articles, arranged chronologically, that reference the Museum or Museum staff. Articles written by Museum staff are also included in this collection, which overlaps and complements OHA 69—Museum Records: Publications. This collection also includes a few audio and videotapes of media programs. SEE ALSO Museum Records: Education/Public Programs, Levinson Office Files, and the NMHM Audiovisual Collection for related material.

BOX AND CONTENT LIST

Box 001: 1863-1956

00001: Museum Publicity and Media Mentions, 1863

- Article transcription from *American Medical Times* 6 (May23, 1863): 249.
- First Annual Report of the Army Medical Museum (Jan 10, 1863).

00002: Museum Publicity and Media Relations, 1866-1871

- Anonymous (S. Weir Mitchell), "The Case of George Dedlow," *The Atlantic Monthly* XVIII (July 1866): 1-11.

- J.J. Woodward, "The Army Medical Museum at Washington," *Lippincott's Magazine* VII (March 1871): 233-242.
- J.J. Woodward, "Microscopical Memoranda, for the Use of Practitioners in Medicine," and "Dr. J.J. Woodward in Reply to Dr. Lionel S. Beale," *The Lens* I (July/Oct. 1872): 158-64 and 208-10.
- Louis Bagger, "The Army Medical Museum in Washington," *Appleton's Journal* IX (March 1, 1873): 294-97.
- Ames, Mary Clemmer, *Ten Years in Washington: Life and Scenes in the National Capital, as a Woman Sees Them* (Hartford, Conn: A.D. Worthington & Co., 1874); Chapter XLII: The Army Medical Museum—Its Curiosities and Wonders, pp. 474-90.

00003: Museum Publicity and Media Relations, 1884-89

- "Taking his own life while an inmate of an insane asylum," *New York Times* (Aug. 22, 1884).
- "A Medical Palace: The Library of the Surgeon General's Office and the Army Medical Museum at Washington," *New York Herald* (June 30, 1889).

00004: Museum Publicity and Media Mentions, 1894-98

- "The Army Medical Museum at Washington D.C.," *Medical and Surgical Reporter* (Aug. 1894): 30-34.
- William Donnally, "An Opportunity for a Great National Museum," *Transactions of the American Dental Association* (1895): 134-49.
- Charles Smart, "The Army Medical Museum and the Library of the Surgeon General's Office," *The Journal of the American Medical Association* 24 (1895): 577-80.
- Charles Smart, "The Army Medical Museum and the Library of the Surgeon General's Office," *Military Institutions of the U.S.* 14 (1896): 288-99.
- John H. Brinton, "Closing Exercises of the Session 1895-96, Army Medical School," *The Journal of the American Medical Association* 26 (March 28, 1896): 599-605.
