### OHA 143 Crismon Ambulance Collection

**Accession Number:** 1990.3010

**Date of Records:** 1906-1988

**Size:** .5 cubic feet, 1 box

**Finding Aid:** Revised by Eric W. Boyle (2014)

**Access and Use:** The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

**Series/Scope and Content Note:** This collection includes about 120 photographs of Armed Forces ambulances copied from various sources or taken by Fred W. Crismon. Crismon donated a set of negatives which were printed by the AFIP. Many were published in Crismon's book *U.S. Military Wheeled Vehicles* (1983). The finding aid below includes the number assigned to each photo in the collection, the make of the vehicle, the date, service it was used for, notes related to the photo, and the source of the photo.
