

Patient Safety Program

LEARNING UPDATE

A Summary of Patient Safety Learning Activities

About the Learning Update

The Learning Update delivers an upcoming schedule of DoD PSP and other patient safety activities, tools and resources to help you increase your patient safety knowledge and skills.

Please note that information about patient safety activities is updated continuously. Make sure to check out the [eBulletin](#) and the [Calendar of Events](#) section on the DoD PSP website to obtain the latest details and confirm information provided here.

PATIENT SAFETY On-Demand eLearning Courses

Instructor-led or self-paced online learning sessions focused on a specific product

On-Demand eLearning: Patient Safety Reporting System v1.1 eLearning Course

This course introduces basic navigation and functionality features of the PSR system and the roles of system users, such as event reporters, event handlers, and investigators. The course can be accessed through MHS Learn.

PATIENT SAFETY LEARNING CIRCLES

In-person or web-based forums focused on a specific topic

TeamSTEPPS® Webinar – Agency for Healthcare Research and Quality (AHRQ)

Please check our [Calendar of Events](#) for updates on this webinar.

Implementing RCA2: Lessons from the Trenches – National Patient Safety Foundation (NPSF)**:

In October, the NPSF is hosting a special series of complimentary webinars, based on its report RCA2: Root Cause Analyses and Actions to Prevent Harm. The series will provide a deep dive into implementation of the report's tools and key recommendations through the lens of five organizations that are at various places on their root cause analysis improvement journeys.

Each program will include an overview of the RCA2 approach, presentation by the organization, and a Q&A session. Do not miss out! The schedule is as follows:

Tuesday, 4 October: [Aurora Health Care](#)

Tuesday, 11 October: [Abington Jefferson Health](#)

Tuesday, 18 October: [Ochsner Clinic/Medical Center](#)

Tuesday, 25 October: [Maine Medical Center and Cedars Sinai Medical Center](#)

Patient Safety Program

LEARNING UPDATE

A Summary of Patient Safety Learning Activities

The presentations will provide insight into topics that include:

- Use of risk-based prioritization systems
- Effectively engaging leadership
- Setting up and maintaining RCA2 teams
- Utilizing the tools in the report to determine, and follow up on, effective corrective actions
