

MHS GENESIS did you know social media post

Copy and paste the text below on your MTF social media channels.

#DYK? We're getting a new electronic health record! The new #MHSGENESIS patient portal will replace TRICARE Online (TOL). You'll be able to communicate securely with your doctors, access your medical files, request appointments, and order prescription refills! Find out when and how you can start using the new patient portal: www.health.mil/mhsgenesis
