

## ***The Immunization Healthcare Division in Collaboration with the CDC Presents:***

### ***COVID-19 Vaccine Training: General Overview of Immunization Best Practices for Health Care Professionals***

The COVID-19 Vaccine Training is a new, web-on-demand, self-paced module for health care providers who will be administering the COVID-19 vaccine. This module provides health care personnel with information about the COVID-19 vaccine Emergency Use Authorization and safety, as well as general information about vaccine storage, handling, administration, and reporting.

The COVID-19 Vaccine Training can be found at the following link:

<https://www2.cdc.gov/vaccines/ed/covid19/>

This webinar will be available for 2.0 Continuing Education/Continuing Medical Education Credits (CE/CMEs) and can be accessed virtually worldwide.

Participants must register on the CE Management System (CMS) at the following link ([www.dhaj7-cepo.com/content/covid-19-vaccine-training](http://www.dhaj7-cepo.com/content/covid-19-vaccine-training)) and complete the posttest and evaluation questions to obtain CE/CME credit.
