Traumatic Brain Injury (TBI) and Caregiver Programs in the Department of Veterans Affairs (VA) and Resources for Caregivers

MARCH 21, 2022; 3–4 P.M. ET

The Traumatic Brain Injury Center of Excellence (TBICoE) is hosting a virtual presentation featuring an overview of the TBI/Polytrauma System of Care and the VA Caregiver Support Program followed by a review of TBICoE caregiver resources, including the newly revised Caregiver Guide.
