How to Submit a Request for Pre-authorization for LOD Medical Care

**Line of Duty (LOD) Episode of Care (EOC) Authorizations**

- THP MMSO authorizes treatment of a specific LOD medical condition to which can include diagnostic tests, durable medical equipment support, treatment (to include surgery, if indicated) and any required/related follow-on care to include physical therapy, follow-on testing, etc. There is no longer a requirement for incremental requests to authorize care for each step in the treatment process. Episode of Care (EOC) authorizations result in a better coordinated treatment process for the RC service member and reduces delays in providing needed care.

- Under EOC, often referred to as “Primary Care Manager (PCM) evaluate and treat,” the PCM manages the entire episode of care to include diagnostics, treatment, and follow-on care. **THP MMSO does not select PCMs, the TRICARE contractor does.** The PCM initiates the referral/preauthorization request directly to the respective TRICARE managed care support contractor through the provider referral/authorization portal. Once the TRICARE contractor receives the referral, they provide an authorization directly to a specialty provider for the specialty services requested by the PCM. This process occurs independently of THP MMSO and the Unit. The member and/or the unit may see these authorizations once completed on the TRICARE Contractor’s authorization self-service portal (East: [https://www.humanamilitary.com](https://www.humanamilitary.com) West: [https://www.tricare-west.com](https://www.tricare-west.com)). It is the Service member’s responsibility to keep the Unit informed on the status of their care throughout the entire EOC treatment process.

- Most LOD follow-on care pre-authorizations issued by THP MMSO (Defense Health Agency, Great Lakes) are 365-day EOC authorizations. LOD care can only be approved for maximum of 12 months, if eligible, SM can seek additional care through VA. SM also should be referred to Disability Evaluation System (DES).

PRIVACY ACT STATEMENT

PRINCIPAL PURPOSE(S): To evaluate eligibility for medical care provided by civilian sources and to issue payment upon establishment of eligibility and determination that the services/supplies received are authorized by law.

ROUTINE USE(S): Information from claims and related documents may be given to the Department of Health and Human Services and/or the Department of Homeland Security consistent with their statutory administrative responsibilities under CHAMPUS; to the Department of Justice for representation of the Secretary of Defense in civil actions; to the Internal Revenue Service and private collection agencies in connection with recoupment claims; and to Congressional offices in response to inquiries made at the request of the person to whom a record pertains. Appropriate disclosures may be made to other federal, state, local, foreign government agencies, private business entities, and individual providers of care, on matters relating to entitlement, claims adjudication, fraud, program abuse, utilization review, quality assurance, peer review, program integrity, third-party liability, coordination of benefits, and civil and criminal litigation related to the operation of CHAMPUS.

DISCLOSURE: Voluntary; however, failure to provide information will result in delay in payment or may result in denial of claim.

IMPORTANT - READ CAREFULLY

Federal Laws (18 U.S.C. 287 and 1001) provide for criminal penalties for knowingly submitting or making any false, fictitious or fraudulent statement or claim in any matter within the jurisdiction of any department or agency of the United States. Examples of fraud include situations in which ineligible persons knowingly use an unauthorized identification Card in filing a CHAMPUS claim; or where providers submit claims for treatment, supplies or equipment not rendered to, or used for TRICARE DoD/CHAMPUS beneficiaries; or where a participating provider bills the beneficiary/patient (or sponsor) for amounts over the CHAMPUS-determined allowable charge; or where a beneficiary/patient (or sponsor) fails to disclose other medical benefits or health insurance coverage.

INCOMPLETE CLAIM FORMS WILL DELAY PAYMENT

NONAVAILABILITY STATEMENT REQUIREMENTS: If the patient resides within the catchment area of a Military Treatment Facility (MTF) (generally within a 40-mile radius of the MTF), you will need to obtain a Nonavailability Statement (NAS) from the MTF for a hospital admission for mental health that is not a bona fide emergency. Without a necessary NAS your claim will be denied.

4. Description of each surgical or medical service or supply furnished;
5. Charge for each service;
6. The diagnosis should be included on the bill. If not, make sure that you've completed block 8a on the form.

DRUGS: Prescription claims require the name of the patient; the name, strength, date filled, days supply, quantity dispensed, and price of each drug; NDC for each drug if available; the prescription number of each drug; the name and address of the pharmacy; and the name and address of the prescribing physician. Billing statements showing only total charges, or canceled checks, or cash register and similar type receipts are not acceptable as itemized statements, unless the receipt provides detailed information required above.

To assist members with resolving debt collection issues, the Under Secretary of Defense established Debt Collection Assistance Officer (DCAO) Programs at every Lead Agent Office and Military Treatment Facility worldwide.

DCAOs assist by providing the correct regional contractor’s billing information to the provider(s)/collection agency.

Note: While DCAOs cannot provide legal advice or act as beneficiary advocates, they will take all measures necessary to ensure each case is thoroughly researched and that beneficiaries are provided with written findings and assistance in the minimum time possible. DGA-GL cannot remove debt in collections from credit reports.

Eligibility
Remote service members may seek assistance via the DHA-GL DCAOs to resolve debt collection issues:

How to Obtain Debt Collections Assistance

Results and Follow-up

Once the claim(s) are paid by TRICARE, the provider receives a check and a copy of Explanation of Benefits (EOB). It is the providers responsibility to notify collection agency and remove the debt from SM’s credit report.

SM should be actively involved and reaching out to the providers/collection agency to ensure the debt(s) have been resolved. SM should also be registered for the online beneficiary portal to track claim status. If the care in question is not covered by TRICARE, or the member was ineligible, the DHA-GL DCAO will send a letter to the member stating the facts.

Website

Contact information for DCAOs located at Military Treatment Facility’s (MTFs) can be found on the TRICARE web site at: https://tricare.mil/bcacdcao. If the BCAC is not located on the website, the SM needs to call the MTF directly for the information.

NOTICE OF THE ROLE OF THE DEBT COLLECTION ASSISTANCE OFFICER

ACKNOWLEDGEMENT

I, _______________________, understand that the role of the Debt Collection Assistance Officer (DCAO) is one of researching TRICARE claims that are the basis for an underlying debt. The DCAO has my consent to contact all necessary agencies – including military personnel offices, military treatment facilities (MTF), TRICARE Lead Agent offices, the TRICARE Management Activity (TMA), managed care support contractors, creditors who have issued bills, even debt collection agencies if appropriate – in order to research the TRICARE claim involved. The DCAO will assist me in understanding the basis for the underlying debt. The DCAO will coordinate with TMA to provide an official determination as to the appropriate resolution of a TRICARE claim.

I acknowledge and understand that the DCAO is NOT acting as my advocate in assisting me regarding the pending debt collection action. In addition, I acknowledge that the DCAO is NOT acting as my legal representative in this matter. In the event the DCAO determines that the debt appears to be valid, I have the right to continue to challenge the correctness of the debt, including exercising my TRICARE appeal rights. I understand I have the right to seek legal assistance through my legal assistance officer or private attorney.

DHA-GL Process Guide - Obtain Debt Collections Assistance

Rev. 12/8/2023
Defense Health Agency Great Lakes (DHA-GL)

Frequently Ask Questions (FAQs)

Eligibility

Q: I am Reservist and went to ER while I was on drill/Annual Training, what do I do now?
A: Have your unit representative submit DHA-GL Worksheet 1, certified orders/roster and ER/Urgent care provider’s notes. This is to validate you were eligible to receive medical care at government expense. If eligible, TRICARE contractors will pay the provider for care with zero cost share/ co pay to you.

Q: If my unit representative does not submit the documentation to validate my eligibility, can I submit it?
A: No, your eligibility validation package must come from your unit /unit representatives.

Q: I am a Reservist; how does my unit submit my eligibility documentation?
A: USNR, USMCR, USAFR and ANG can send required documents to our specified organization email box dha.great-lakes.j-10.mbx.mmsod-lod-misc@health.mil (Do not send bills)

**Army: If you are ARNG/USAR your unit must use eMMPs via MedChart to submit your eligibility.

Q: I am a Reservist/National Guard in the Army, why does my unit have to use MedChart?
A: This is not a DHA-GL mandate, ALL ARNG/USAR requests are required by the National Guard Bureau and Office of the Chief of Army Reserve (OCAR) to be submitted by the Electronic Medical Processing System (eMMPS/MedChart). DHA-GL will NOT accept Army Reserve Component eligibility packages submitted by mail, FAX or email.

**If you are a Unit Administrator looking for further information on getting MEDCHART access or instructions, please contact your chain of command.

Q: I am a Reservist on orders over 31+ days, when should I submit eligibility?
A: Your unit does not need to submit eligibility; your DEERS should reflect your time as Active Duty which will communicate with TRICARE to pay your claims as Tricare Prime/Remote. If you need follow up care after your orders end, your unit should submit a pre-authorization request along with the required documentation.

Q: Why is DHA-GL requiring CAC verified digital signatures?
A: To verify signatures are still valid, and to confirm the Unit Representative/Commanding Officer listed is the one who signed the document.
Q: I am a Reservist and went to ER/Urgent care while on drill status, why was my eligibility denied?

A: DHA-GL reviews each case and if the eligibility your unit rep submitted on your behalf did not meet incurred or aggravated criteria, the government is not obligated for the payment. Some examples are but limited to: Existed prior to (drill) service (EPTS), gross negligence, misconduct, drug use, STIs, Annual Health Assessments, Behavioral Health, Alcohol abuse/withdrawal, medication refills, MRI, etc.

Q: What does “eligibility on file” mean?

A: This means we have verified and approved the eligibility documents and claims sent to Tricare will be authorized for payment that are associated with your eligibility/LOD.

Q: How can I get reimbursed for claims I paid out of pocket?

A: DHA-GL does not reimburse. You must have providers bill Tricare and once providers receive payment from Tricare, it is up to the provider’s office to refund you for anything out of pocket.

Q: I live in Puerto Rico, why aren’t my claims getting paid?

A: All information for eligibility/LODs is processed by Rodriguez Army Health Clinic Fort Buchanan in Puerto Rico, please forward all necessary documentation there.

Q: What are your phone hours?

A: DHA-GL phone hours are 0830-1100 and 1300-1530, Monday thru Friday, excluding holidays.

Additionally, you can try to submit a claim for reimbursement to Tricare by going to https://www.tricare.mil/FormsClaims/Claims for more information.
