

# Optimizing Hearing and Vision Recovery Care

## QUARTERLY EDUCATION SERIES

Traumatic Brain Injury Center of Excellence

**Thursday, Nov. 14, 2024**

**2 to 4 p.m. ET**

*CME/CEUs Pending*

Join us as we explore point of injury diagnostic testing for identification of visual and hearing deficits after TBI. Subject matter experts will discuss available tools, therapy options, and current resources to maximize recovery of sensory systems.
