

# Innovations in Traumatic Brain Injury Management

## QUARTERLY EDUCATION SERIES

Traumatic Brain Injury Center of Excellence

**Thursday, June 12, 2025**

**1 to 3 p.m. ET**

*CME/CEs Pending*

Discover the latest advancements in the management of Traumatic Brain Injury (TBI) through an exploration of leading-edge treatment options. Join us as we explore the use of Microstructure Anatomy Gradient for Neuroimaging with Ultrafast Scanning (MAGNUS), Transcranial Magnetic Stimulation (TMS), and FDA-approved medical devices for assessing TBI. Learn from leading experts as they present the latest research and clinical applications.
