Dear Mr. Chairman:

I am pleased to forward the report prescribed in Section 751 of the National Defense Authorization Act for Fiscal Year 2001. Section 751 requires the Department of Defense to submit an annual written report on the number of Service members who have been separated as a result of refusing to participate in the Anthrax Vaccine Immunization Program (AVIP).

From January 1, through December 31, 2008, one Service member was separated as a result of refusing to participate in AVIP. During this time period, Service members were afforded the vaccine on a voluntary basis.

We have enclosed a table identifying the Branch of Service, duty status, and grade of the Service members separated from calendar year 2003 to calendar year 2008.

Thank you for your continued support of the Military Health System.

Sincerely,
