Abscess

2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2013 December Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
2013 December Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
2006 May/June Cellulitis and abscess, active components, U.S. Armed Forces, 2002-2005

Accident

2018 September Fireworks injuries, active component, U.S. Armed Forces, 2008–2017
2016 June Identification of specific activities associated with fall-related injuries, active component, U.S. Army, 2011
2016 February Deployment-related conditions of special surveillance interest
2016 January Deployment-related conditions of special surveillance interest
2015 December Deployment-related conditions of special surveillance interest
2015 September Deployment-related conditions of special surveillance interest
2015 June Deployment-related conditions of special surveillance interest
2015 May Deployment-related conditions of special surveillance interest
2013 November Update: motor vehicle-related deaths, active and reserve components, U.S. Armed Forces, 1999-2012
2012 September Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
2012 September Health care encounters for injuries associated with a gun mechanism or component, U.S. Armed Forces
2011 March Motorcycle and other motor vehicle accident-related deaths, U.S. Armed Forces, 1999-2010
2010 February Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009

Adenovirus

2015 December Follow-up analysis of the incidence of acute respiratory infections among enlisted service members during their first year of military service before and after the 2011 resumption of adenovirus vaccination of basic trainees
2013 May Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?
2012 March Initial assessment of impact of adenovirus type 4 and type 7 vaccine on febrile respiratory illness and virus transmission in military basic trainees, March 2012
2012 March Surveillance Snapshot: adenovirus among U.S. military recruit trainees
2009 May Preliminary report: Febrile acute respiratory disease caused by adenovirus type 14, U.S. Coast Guard training center, Cape May, New Jersey, March 2009
2000 July Adenovirus type 4 outbreak among basic trainees, Ft. Benning, Georgia, April-May 2000
1997 October Adenovirus, type 4, Ft. Jackson and Ft. Gordon
1995 October Adenovirus serosurvey, basic trainees
1995 June Adenovirus Outbreak - Fort Jackson
Agent

1995 April Chemical agent exposure, Germany

Alcohol

2018 March Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016
2012 February Surveillance snapshot: Recurrent medical encounters associated with alcohol abuse-related diagnostic codes, active component, U.S. Armed Forces, 2001-2010
2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
2011 October Alcohol-related diagnoses, active component, U.S. Armed Forces, 2001-2010
2008 November Surveillance Snapshot: Alcohol abuse among teenaged military members

Allergy

Alternative

2016 July Use of complementary health approaches at military treatment facilities, active component, U.S. Armed Forces, 2010–2015

Ambulatory, outpatient

2018 May Ambulatory visits, active component, U.S. Armed Forces, 2017
2016 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2015
2015 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2014
2014 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2013
2013 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2012
2012 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2011
2011 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2010
2010 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2009
2009 April Ambulatory visits among members of active components, U.S. Armed Forces, 2008
2008 April Ambulatory visits among members of active components, U.S. Armed Forces, 2007
2007 April Ambulatory visits among members of active components, U.S. Armed Forces, 2006
2006 April Ambulatory visits among active component members, U.S. Armed Forces, 2005
2005 April Ambulatory visits among active component members, U.S. Armed Forces, 2004
2004 April Ambulatory visits among active component members, U.S. Armed Forces, 2003
2003 April Ambulatory visits among active duty members, U.S. Armed Forces, 2002
2002 Sep/Oct Installation specific lost duty time reports: hospitalization and ambulatory encounters at the installation level - overall experience of the U.S. Army, August 2002
2002 March/April Ambulatory visits among active duty personnel
2001 April Ambulatory visits among active duty personnel

2006 April             Estimates of absolute and relative health care burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2005
2006 April             Deployment related conditions of special surveillance interest
2006 March             Medical experiences of servicemembers within one year after returning from deployments in central Asia/Middle East, active components, U.S. Armed Forces
2006 March             Deployment-related conditions of special surveillance interest
2006 Jan/Feb            Deployment-related conditions of special surveillance interest
2005 Sep/Oct            Deployment-related conditions of special surveillance interest
2005 July/August        Deployment-related conditions of special surveillance interest
2005 May/June            Deployment-related conditions of special surveillance interest
2010 July Surveillance snapshot: Abnormal glucose tolerance test
2008 May Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007

Diarrhea, gastroenteritis

2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2017 July Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
2017 June Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach
2015 June Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014
2015 January Incidence of Salmonella infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
2014 December Incidence of *Campylobacter* infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
2014 November An outbreak of *Campylobacter* enteritis associated with a community water supply on a U.S. military installation
2013 October Gastrointestinal infections, active component, U.S. Armed Forces, 2002-2012
2012 November Outbreak of Gastrointestinal Illness During Operation New Horizons in Pisco, Peru, July 2012
2011 November Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011
2011 November Historical perspective: Norovirus gastroenteritis outbreaks in military forces
2011 June Acute Gastroenteritis Outbreak at the Armed Forces Retirement Home, Washington, DC
2011 June Surveillance Snapshot: Gastroenteritis-related Hospitalizations, 2001-2010
2007 May Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006
1998 Oct/Nov Norwalk-like viral gastroenteritis outbreak, Fort Bliss
1998 September Foodborne outbreak, Salmonella gastroenteritis
1997 January Gastroenteritis outbreaks among military trainees
1996 November Shigella sonnei diarrheal outbreaks
1996 October Diarrhea outbreak - Croatia
1995 October Surveillance trends: Bacterial diarrhea
1995 July Diarrheal outbreak, UN battalion, Haiti

**Disability**

1995 May Top ten corner: Disability evaluations

**DNBI**

2012 February Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011
1997 March Bosnia update: DNBI hospitalizations
1997 February Bosnia update: DNBI hospitalizations
1997 January Bosnia update: DNBI hospitalizations
1996 December Bosnia update: DNBI hospitalizations
1996 November Bosnia update: DNBI hospitalizations
1996 October Bosnia update: DNBI hospitalizations
1996 Aug/Sep Bosnia update: DNBI hospitalizations
1996 June/July Bosnia update: DNBI hospitalizations
1996 May Bosnia update: DNBI hospitalizations
1996 April Bosnia update: DNBI hospitalizations
1996 March Bosnia update: DNBI Hospitalizations
1996 February Bosnia update: DNBI Hospitalizations

**Drowning**

*MSMR Index January 2019*

Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016

Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016

Acetaminophen overdoses, active component, U.S. Armed Forces, 2006–2015

Substance Use Disorders in the U.S. Armed Forces, 2000-2011

Installation specific lost duty time reports: hospitalization and ambulatory encounters at the installation level - overall experience of the U.S. Army, August 2002

Hospitalization-related lost duty days

Hospitalization-related lost duty rates

Total active duty hospital sick days

Noneffective rates, active duty hospitalizations

Non-effective rates, active duty hospitalizations

Top ten corner: Causes of lost duty days

Correlation between antimicrobial resistance in Escherichia coli infections in hospitalized patients and rates of inpatient prescriptions for selected antimicrobial agents, Department of Defense hospitals, 2010–2014

Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014

Septicemia diagnosed during hospitalizations, active component service members, U.S. Armed Forces, 2000-2012

Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

E. coli O:157:H7, Fort Lewis

Escherichia coli 0157:H7, Fort Leavenworth, KS

2011 March Update: Exertional rhabdomyolysis, active component, U.S. Armed Forces, 2010
2010 March Update: Exertional rhabdomyolysis among U.S. military members, 2009

Eye

2015 March Incidence and prevalence of diagnoses of eye disorders of refraction and accommodation, active component service members, U.S. Armed Forces, 2000–2014
2011 May Eye injuries, active component, U.S. Armed Forces, 2000-2010

Female, Women

2016 February Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012

MSMR Index January 2019
2015 June Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination

2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014

2015 May Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014

2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012

2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012

2013 September Brief report: polycystic ovary syndrome, active component service women, U.S. Armed Forces, 2000-2012

2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012

2013 September Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012

2013 September Menorrhagia, active component service women, U.S. Armed Forces, 1998-2012

2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012

2012 July Health of women after wartime deployments: correlates of risk for selected medical conditions among females after initial and repeat deployments to Afghanistan and Iraq, active component, U.S. Armed Forces

2012 July Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011

2011 December Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010

2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010

2011 December Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010

2011 December Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate

2011 December Brief report: Births, active component, 2001-2010

2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces

2010 November Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009

2009 November Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces

2009 October Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces

2008 May Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007

2001 July Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999

Fevers, various

2016 December Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016

2016 May Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016

MSMR Index January 2019
2015 October Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015
2015 August Case report: Probable murine typhus at Joint Base San Antonio, TX
2015 May Case series: Chikungunya and dengue at a forward operating location
2010 May Surveillance Snapshot: Q fever
1998 January Fevers of unknown origin among active duty soldier
1997 October Typhoid fever, Tripler Army Medical Center
1995 December Korean hemorrhagic fever, Korea
1995 November Dengue Fever, Fort Lewis, WA
1995 November Surveillance trends: Dengue Fever
1995 September Hemorrhagic fever with renal syndrome, Korea

Fitness
1996 April Injuries and fitness in BCT units, FLW, MO

Fracture
2011 May Stress fractures, active component, U.S. Armed Forces, 2004-2010
2010 July Thoracolumbar spine fractures, active and reserve components, 2000-2009
2010 February Surveillance Snapshot: Medical evacuations for humeral fractures due to arm wrestling
1997 December Spontaneous fractures of the femur

Fungi
2018 April Coccidioidomycosis, active component, U.S. Armed Forces, 2007–2017
2014 June The geographic distribution of incident coccidioidomycosis among active component service members, 2000–2013

Gallbladder

Gastroenteritis, diarrhea
2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2017 July Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
2017 June Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach

MSMR Index January 2019
2015 June  Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014
2015 January  Incidence of Salmonella infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
2014 December  Incidence of Campylobacter infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
2014 November  An outbreak of Campylobacter enteritis associated with a community water supply on a U.S. military installation
2013 October  Gastrointestinal infections, active component, U.S. Armed Forces, 2002-2012
2012 November  Outbreak of Gastrointestinal Illness During Operation New Horizons in Pisco, Peru, July 2012
2011 November  Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011
2011 November  Historical perspective: Norovirus gastroenteritis outbreaks in military forces
2011 June  Acute Gastroenteritis Outbreak at the Armed Forces Retirement Home, Washington, DC
2011 June  Surveillance Snapshot: Gastroenteritis-related Hospitalizations, 2001-2010
2007 May  Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006
1998 October  Surveillance trends: Bacterial diarrhea
1998 September  Foodborne outbreak, Salmonella gastroenteritis
1997 January  Gastroenteritis outbreaks among military trainees
1996 November  Shigella sonnei diarrheal outbreaks
1996 October  Diarrhea outbreak - Croatia
1995 October  Surveillance trends: Bacterial diarrhea
1995 July  Diarrheal outbreak, UN battalion, Haiti

Gastrointestinal disorders

2017 July  Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
2017 July  Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017

Guillain-Barré Syndrome

2012 March  Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
1995 December  GBS following Influenza immunization

Hantavirus

Hearing

2011 June  Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010

Histoplasmosis

1999 June/July Histoplasmosis outbreak, U.S. soldiers, Panama

History

2019 January Historical perspective: Leptospirosis outbreaks affecting military forces
2015 April Medical Surveillance Monthly Report: The first 20 years
2012 December Historical perspective: coccidioidomycosis in the U.S. military and military-associated populations
2012 July Historical snapshot: Dr. Mary E. Walker, Civil War surgeon, Medal of Honor recipient
2012 January Historical snapshot: Development of the hepatitis A vaccine
2011 December Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate

HIV

2018 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2013–June 2018
2017 September Review of the U.S. military's human immunodeficiency virus program: a legacy of progress and a future of promise
2017 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2012–June 2017
2016 March Brief report: The epidemiology of herpes simplex virus type 2 infections in a large cohort of HIV-infected patients, 2006–2014
2015 August Durations of military service after diagnoses of HIV-1 infections among active component members of the U.S. Armed Forces, 1990–2013
2014 November Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
2012 August Updates: Routine screening for antibodies to human immunodeficiency virus, type 1 (HIV-1), civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2012 May The risk of mental health disorders among U.S. military personnel infected with human immunodeficiency virus, active component, U.S. Armed Forces, 2000-2011
2011 August Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2011 August Surveillance Snapshot: Service members with hepatitis B, hepatitis C, and HIV-1, active component, U.S. Armed Forces
2010 September Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2009 August Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2008 July/August Updates: routine screening for antibodies to HIV-1 among civilian applicants for U.S. Military Service; U.S. Army and U.S. Air Force, active and reserve components; U.S. Navy and Marine Corps, Active Duty

MSMR Index January 2019
Routine screening for antibodies to HIV-1, U.S. Army, Navy, Marine Corps and civilian applicants for U.S. military service, January 1990-June 2007

Update: Screening for HIV-1 among soldiers in active and Reserve components, U.S. Army, and civilian applicants for military service, January 1990-June 2006

Seroprevalences and incidence rates of HIV-1 in relation to the frequency of testing, active component, U.S. Army, 2000-2005

Timing of prior HIV-1 tests in relation to dates of deployment to Southwest Asia, U.S. Armed Forces, 2001-2005

Update: Human immunodeficiency virus, type 1 (HIV-1) antibody screening among active and Reserve component soldiers and civilian applicants for military service, January 1990-June 2005

Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2004

Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2003

Human immunodeficiency virus type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 2000-2005

Human immunodeficiency virus type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-2001

HIV-1 antibody screening among active duty, reservists, and civilian applicants for military service, 1985-2000

Update: HIV-1 screening, US Army

Update: HIV-1 testing in the Army

HIV-1 testing, Active duty, 1988-1998

HIV-1 testing, Reserve, 1988-1998

HIV-1 testing, National Guard, 1988-1998

HIV-1 testing, civilian applicants for service

HIV-1 tests, summary, U.S. Army, 1997

HIV-2, Walter Reed Army Medical Center

Supplement #1: HIV-1 in the Army

HIV-1 testing program, 1985-1996

Status of HIV-1 infected patients

Prevalence of HIV-1, civilian applicants

Supplement: HIV-1 in the Army

Supplement: HIV-1 infected patients

Prevalence of HIV-1, civilian applicants

HIV-1 testing program, 1985 - 1995

HIV-1 infection

Status of HIV-1 infected patients

Prevalence of HIV-1, civilian applicants

Active duty soldiers infected with HIV-1

HIV-1 testing program, 1985 - 1994

Hookworm Disease - Ft. Drum, NY

Hookworm

Hospitalizations, active component, U.S. Armed Forces, 2017

Surveillance snapshot: Respiratory infections resulting in hospitalization, U.S. Air Force recruits, October 2010–February 2017

Hospitalizations, active component, U.S. Armed Forces, 2016

Hospitalizations among members of the active component, U.S. Armed Forces, 2015

Correlation between antimicrobial resistance in Escherichia coli infections in hospitalized patients and rates of inpatient prescriptions for selected antimicrobial agents, Department of Defense hospitals, 2010–2014

Hospitalizations, active component, U.S. Armed Forces, 2018

Hospitalizations, active component, U.S. Armed Forces, 2017

2016 March Deployment-related conditions of special surveillance interest

MSMR Index January 2019
2015 February  Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
2015 February  Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
2013 October  Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2008-June 2013
2013 August  Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
2013 June  Incident diagnoses of common symptoms ("sequelae") following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
2013 June  Deployment-related conditions of special surveillance interest
2012 October  Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2007-June 2012
2012 September  Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
2012 September  Health care encounters for injuries associated with a gun mechanism or component, U.S. Armed Forces
2012 June  Amputations of upper and lower extremities, active and reserve components, U.S. Armed Forces, 2000-2011
2012 February  Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
2012 February  Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011
2011 October  Surveillance Snapshot: Reportable medical events of heat injury in relation to heat index, June-September 2011
2011 June  Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
2011 May  Eye injuries, active component, U.S. Armed Forces, 2000-2010
2011 May  Surveillance Snapshot: Emergency departments visits for traumatic brain injury
2011 April  Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010

MSMR Index January 2019
2010 October Illness and injury diagnoses within six months before retirement after 20 or more years of active service, active component, U.S. Armed Forces, 2000-2009
2010 October Cold weather injuries, U.S. Armed Forces, July 2005 - June 2010
2010 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009
2010 April Surveillance Snapshot: Illness and injury burdens among U.S. military recruits
2010 February Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009
2009 November Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 June Lightning strike injuries, active component, U.S. Armed Forces, 1999-2008
2009 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008
2008 December Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008
2008 October Notice to readers: New surveillance case definition for traumatic brain injury (TBI)
2008 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2007
2007 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2006
2006 July Heat-related injuries, U.S. Army, 2005
2005 Sep/Oct Cold injuries, active component members, U.S. Armed Forces, July 2000-June 2005
2005 April Estimates of absolute and relative health care burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2004
2004 May/June Frequencies and characteristics of medical evacuations of soldiers by air (with emphasis on non-battle injuries), Operations Enduring Freedom/Iraqi Freedom (OEF/OIF), January-November 2003
2004 April Estimates of absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2003
2003 April Relative burdens of selected illnesses and injuries, U.S. Armed Forces, 2002
2002 March/April Relative burdens of selected illnesses and injuries
2001 Nov/Dec Monthly installation injury surveillance reports: surveillance of injuries and their impacts at the installation level, U.S. Navy and Marines

MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.
Disease and nonbattle injury surveillance among deployed U.S. Armed Forces: Bosnia-Herzegovina, Kosovo, and Southwest Asia, July 2000-September 2001

Monthly installation injury surveillance reports: surveillance of injuries and their impacts at the installation level, U.S. Armed Forces

Relative burdens of selected illnesses and injuries

Cold weather injuries, active duty soldiers

Noncombat gunshot injuries, active duty servicemembers, 1990 - 1999

Assault - related hospitalizations, active duty military personnel, 1990 - 1999 (revised)

Assault - Related Hospitalizations, Active Duty Military, 1990 - 1999

Heat-related injuries among active duty soldiers and Marines, 1997-1999

Injuries among senior officers, U.S. Army War College, Carlisle Barracks, Pennsylvania

Eye injuries, active duty soldiers, 1993 - 1998

Ankle injuries, active duty servicemembers, 1990 -1998

Heat / cold injuries

Injury incidence among advanced trainees, Ft. Sam Houston

Heat injuries in active duty soldiers

Heat injuries, 1990-1996

Cold weather injuries in active duty soldiers

Heat / Cold weather injuries

Reported heat and cold weather injuries

Heat / Cold weather injuries

Heat / Cold weather injuries, Jan - Jun, 1996

Heat / Cold weather injuries, Jan - Apr, 1996

Injuries and fitness in BCT units, FLW, MO

Injuries in integrated BCT units, FLW, MO

Cold weather injuries, Ft. Drum, NY

Cold Weather Injuries, Oct - Dec, 1995

Heat / Cold weather injuries

Heat / Cold weather injury rates, 1991 - 1995

Heat / Cold weather injuries

Heat injuries, Mar - Aug, 1995

Heat related Injuries, July 1995

Heat / Cold weather injuries, Jan - Jul, 1995

Classification and disposition of heat injuries

Heat / Cold weather injuries

Injury hospitalizations, ODS

Heat / Cold weather injuries

Associations between repeated deployments to Iraq (OIF/OND) and Afghanistan (OEF) and post-deployment illnesses and injuries, active component, U.S. Armed Forces, 2003-2010. Part II. Mental disorders, by gender, age group, military occupation, and "dwell times" prior to repeat (second through fifth) deployments

Associations between repeated deployments to OEF/OIF/OND, October 2001-December 2010, and post-deployment illnesses and injuries, active component, U.S. Armed Forces

Causes of medical evacuations from Operations Iraqi Freedom (OIF), New Dawn (OND) and Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-September 2010

Medical evacuations from Operation Iraqi Freedom (OIF) and Operation Enduring Freedom (OEF), active and Reserve components, U.S. Armed Forces, October 2001-September 2009
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

2009 November  Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 October  Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 February  Relationships between the nature and timing of mental disorders before and after deploying to Iraq/Afghanistan, active component, U.S. Armed Forces, 2002-2008
2007 November  Mental health-related clinical experiences in relation to responses to health assessments after returning from Operation Iraqi Freedom in 2005, U.S. Armed Forces
2007 July  Mental health encounters and diagnoses following deployment to Iraq and/or Afghanistan, U.S. Armed Forces, 2001-2006
2007 May  Hospitalization Experience within One Year after Returning from Afghanistan or Iraq, January 2002-September 2006
2004 July/August  Brucellosis in a soldier who recently returned from Iraq
2004 May/June  Frequencies and characteristics of medical evacuations of soldiers by air (with emphasis on non-battle injuries), Operations Enduring Freedom/Iraqi Freedom (OEF/OIF), January-November 2003

Kawasaki

1996 May  Kawasaki Disease, Tripler Army Medical Center

Lead

1998 May/June  Elevated blood lead, Fort Campbell

Legionnaire’s Disease

2002 Nov/Dec  Legionnaires’ disease in a laboratory worker at a medical treatment facility, September 2002

Leishmaniasis

2017 March  Deployment-related conditions of special surveillance interest
2017 February  Deployment-related conditions of special surveillance interest
2016 December  Deployment-related conditions of special surveillance interest
2016 October  Deployment-related conditions of special surveillance interest
2016 August  Deployment-related conditions of special surveillance interest
2016 June  Deployment-related conditions of special surveillance interest
2016 May  Deployment-related conditions of special surveillance interest
2016 March  Deployment-related conditions of special surveillance interest
2015 December  Deployment-related conditions of special surveillance interest
2015 September  Deployment-related conditions of special surveillance interest
2015 July  Deployment-related conditions of special surveillance interest
2015 June  Deployment-related conditions of special surveillance interest
2015 May  Deployment-related conditions of special surveillance interest
2014 May  Deployment-related conditions of special surveillance interest

MSMR Index January 2019
1998 January Visceral leishmaniasis, Sigonella, Italy
1996 March Cutaneous Leishmaniasis, WRAMC

**Leprosy**

1998 Feb/Mar Leprosy in an active duty soldier
1996 March Leprosy in a Navy family member, Ft Hood

**Leptospirosis**

2019 January Historical perspective: Leptospirosis outbreaks affecting military forces
1998 April Leptospirosis, Tripler Army Medical Center
1996 Aug/Sep Leptospirosis - Tripler Army Medical Center

2010 June Surveillance Snapshot: Lightning-related medical encounters, 2009-2010
2009 June Lightning strike injuries, active component, U.S. Armed Forces, 1999-2008
1995 August Lightning Strike, Fort Jackson

**Listeriosis**

1996 May Listeria monocytogenes meningitis, Ft. Bragg

**Liver**

2019 January Non-alcoholic fatty liver disease (NAFLD), active component, U.S. Armed Forces, 2000–2017

**Lizard**

1997 November Arthropod, lizard, and snake envenomations

**Lyme**

2015 March Characterizing the relationship between tick bites and Lyme disease in active component U.S. Armed Forces in the eastern United States

MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.
2014 May The geographic distribution of incident Lyme disease among active component service members stationed in the continental United States, 2004–2013
2012 May Images in health surveillance: tickborne disease vectors and Lyme disease clinical diagnosis
2009 July Lyme disease among U.S. military members, active and reserve component, 2001-2008

Malaria

2018 November Editorial: Malaria in the Korean peninsula: Risk factors, latent infections, and the possible role of tafenoquine, a new antimalarial weapon
2018 November Cluster of vivax malaria in U.S. soldiers training near the demilitarized zone, Republic of Korea during 2015
2018 February Update: Malaria, U.S. Armed Forces, 2017
2014 January Editorial: the military and its potential role in malaria elimination
2014 January Report of two cases of vivax malaria in U.S. soldiers and a review of malaria in the Republic of Korea
2014 January Surveillance snapshot: self-reported malaria prophylaxis compliance among service members with diagnosed malaria, 2008-2013
2013 January Confirmed malaria cases among active component U.S. Army personnel, January-September 2012
2013 January Editorial: presumptive anti-relapse treatment for malaria in military forces
2013 January Images in health surveillance: permethrin treatment of uniforms
2012 January Sources of variability of estimates of malaria case counts, active and reserve components, U.S. Armed Forces
2012 January Images in health surveillance: Malaria vectors and malaria testing
2012 January Editorial: Malaria in the U.S. Armed Forces: A persistent but preventable threat
2010 August Surveillance snapshot: Malaria among deployers to Haiti, U.S. Armed Forces, 13 January - 30 June 2010
2010 January Outbreak report: Malaria in a U.S. Marine reserve unit deployed to Benin
2006 Jan/Feb Malaria, U.S. Army, 2005
2005 July/August Case reports: Malaria in U.S. soldiers after returning from Honduras and Korea, November 2004 and July 2005
2005 January Malaria, U.S. Army, 2004
2004 Jan/Feb Malaria among active duty soldiers, U.S. Army, 2003
2003 January Malaria among active duty soldiers, U.S. Army, 2002
2002 May Malaria among active duty soldiers, U.S. Army, 2001
2001 January Malaria among active duty U.S. soldiers, 2000
2001 January P. falciparum malaria in the sons of a soldier in Hanau, Germany
2000 February Malaria among members of an inspection team after a one-week mission to Central America

MSMR Index January 2019
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

1999 December Malaria experience among U.S. active duty soldiers 1997-1999
1999 Jan/Feb Malaria, U.S. Army, 1998
1998 July/August Late presentations of vivax malaria of Korean origin
1998 Feb/Mar Transfusion-transmitted P. falciparum malaria
1997 July/August Plasmodium vivax malaria of Korean origin, 1997
1996 October Vivax malaria in U.S. forces - Korea
1996 June/July Malaria Outbreak, Vincenza, Italy
1995 July Malaria in active duty soldiers

Measles

2017 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
2007 Feb/Mar Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004
1997 December Measles, Madigan Army Medical Center

Medications, Prescriptions

2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2015 September Brief report: Rate of prescriptions by therapeutic classification, active component, U.S. Armed Forces, 2014

Mefloquine

2014 January Surveillance snapshot: self-reported malaria prophylaxis compliance among service members with diagnosed malaria, 2008-2013
1995 October Mefloquine use in pregnant soldiers

Melanoma

2017 February Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015

Meningitis

2012 August Viral meningitis, active and reserve components, U.S. Armed Forces, 2002-2011
2012 August Outbreak of viral meningitis at Travis Air Force Base, July-August 2012
2009 March Field investigation: Fatal pneumococcal meningitis, Fort Leonard Wood, Missouri, February 2009
2002 July Update: group C meningococcal disease outbreak, Ft. Wood, MO
2002 May Serogroup C meningococcal disease outbreak- Fort Leonard Wood, Missouri, 2002
1996 May Listeria monocytogenes meningitis, Ft. Bragg
1995 November Meningococcal Meningitis, Fort Bliss, TX

Meningococcus

2014 July Surveillance snapshot: cases of service member meningococcal disease reported to the Naval Health Research Center laboratory-based meningococcal disease surveillance program, 2006–2014

MSMR Index January 2019
Surveillance snapshot: bacterial meningitis among beneficiaries of the Military Health System, 1998-2013

Update: group C meningococcal disease outbreak, Ft. Wood, MO

Serogroup C meningococcal disease outbreak- Fort Leonard Wood, Missouri, 2002

Meningococcal Meningitis, Fort Bliss, TX

Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016

Diagnoses of eating disorders, active component service members, U.S. Armed Forces, 2013–2017

Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016

Risk of mental health disorders following an initial diagnosis of postpartum depression, active component, U.S. Armed Forces, 1998–2010

Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014

Numbers and proportions of U.S. military members in treatment for mental disorders over time, active component, January 2000–December 2012

Anxiety disorders, active component, U.S. Armed Forces, 2000-2012

Depression and suicidality during the postpartum period after first time deliveries, active component women and dependent spouses, U.S. Armed Forces, 2007-2012

Editorial: The mental health of our deploying generation

Summary of mental disorder hospitalizations, active and reserve components, U.S. Armed Forces, 2000-2012

Surveillance Snapshot: Anxiety disorders, active component, U.S. Armed Forces, 2000-2012

Mental disorders and mental health problems among recruit trainees, U.S. Armed Forces, 2000-2012

Surveillance Snapshot: Mental disorder hospitalizations among recruit trainees, U.S. Armed Forces, 2000-2012

Malingering and factitious disorders and illnesses, active component, U.S. Armed Forces, 1998-2012

Challenges in monitoring and maintaining the health of pilots engaged in telewarfare

Mental health diagnoses and counseling among pilots of remotely piloted aircraft in the United States Air Force

Mental disorders and mental health problems, active component, U.S. Armed Forces, 2000-2011

The risk of mental health disorders among U.S. military personnel infected with human immunodeficiency virus, active component, U.S. Armed Forces, 2000-2011

Mental health diagnoses during the year prior to schizophrenia, U.S. Armed Forces, 2001-2010

Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010

Relations between suicide and traumatic brain injury, psychiatric diagnoses, and relationship problems, active component, U.S. Armed Forces, 2001-2009

Associations between repeated deployments to Iraq (OIF/OND) and Afghanistan (OEF) and post-deployment illnesses and injuries, active component, U.S. Armed Forces, 2003-2010. Part II. Mental disorders, by gender, age group, military occupation, and “dwell times” prior to repeat (second through fifth) deployments

Supplemental report: Selected mental health disorders among active component members, U.S. Armed Forces, 2007-2010

Mental disorders and mental health problems, active component, U.S. Armed Forces, January 2000-December 2009

Musculoskeletal disorders

2016 January Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
2013 June Arm and shoulder conditions, active component, U.S. Armed Forces, 2003-2012
2012 May Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
2000 August Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999
1998 Oct/Nov Hospitalizations and outpatient visits, musculoskeletal disorders

MSMR Index January 2019
**Myocardial infarction**

2019 *January* Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001–31 December 2017

**Neoplasm**

2017 *July* Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
2017 *February* Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015
2013 *September* Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000–2012

**Neurological disorders**

2019 *January* Acute flaccid myelitis: Case report
2017 *August* Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
2015 *February* Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003–2014
2015 *February* Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
2013 *May* Epilepsy in active component service members, 1998–2012
2012 *February* Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998–2010
2011 *October* Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998–2010

**Noise**

### MSMR Index January 2019
Outbreak

2018 November Cluster of vivax malaria in U.S. soldiers training near the demilitarized zone, Republic of Korea during 2015

2014 November An outbreak of Campylobacter enteritis associated with a community water supply on a U.S. military installation

2013 June Outbreak of Group A beta hemolytic Streptococcus pharyngitis in a Peruvian military facility, April 2012

2012 November Outbreak of Gastrointestinal Illness During Operation New Horizons in Pisco, Peru, July 2012

2011 November Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011

2011 November Historical perspective: Norovirus gastroenteritis outbreaks in military forces

2011 June Acute Gastroenteritis Outbreak at the Armed Forces Retirement Home, Washington, DC

2010 January Outbreak report: Malaria in a U.S. Marine reserve unit deployed to Benin

2009 September Preliminary report: Outbreak of novel H1N1 influenza aboard USS Boxer, 29 June - 31 July 2009

2007 May Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006

2002 July Update: group C meningococcal disease outbreak, Ft. Wood, MO

2002 May Serogroup C meningococcal disease outbreak- Fort Leonard Wood, Missouri, 2002

2000 July Adenovirus type 4 outbreak among basic trainees, Ft. Benning, Georgia, April-May 2000

1999 June/July Histoplasmosis outbreak, U.S. soldiers, Panama

1999 May Pneumococcal pneumonia outbreak, Fort Benning

1998 December Outbreak of parainfluenza type 1 respiratory illness, Fort Sill

1998 Oct/Nov Norwalk-like viral gastroenteritis outbreak, Fort Bliss

1998 September Outbreak, rapidly-growing mycobacterial infection

1998 September Foodborne outbreak, Salmonella gastroenteritis

1998 April Varicella outbreak at Fort Knox

1998 Feb/Mar Influenza outbreak, U.S. Navy, Hawaii

1997 September Hyponatremia outbreak investigation

1997 January Gastroenteritis outbreaks among military trainees

1996 November Shigella sonnei diarrheal outbreaks

1996 October Diarrhea outbreak - Croatia

1996 Aug/Sept Rash illness outbreak among British Soldiers

1996 June/July Malaria Outbreak, Vincenza, Italy

1996 April Rash outbreaks, U.S. forces operating in Belgium

1995 September Dermatitis outbreak, Heidelberg, Germany

1995 August Respiratory disease outbreak, Fort Jackson

1995 July Diarrheal outbreak, UN battalion, Haiti

1995 June Adenovirus Outbreak - Fort Jackson

1995 May Rubella outbreak in German troops, Ft. Bragg

**2012 August** Pertussis diagnoses among service members and other beneficiaries of the U.S. Military Health System, January 2005-June 2012

**2010 December** Surveillance snapshot: Pertussis diagnoses among service members and other beneficiaries of the U.S. Military Health System, January 2008-November 2010

---

**Pilonidal cyst**

**2013 December** Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012

---

**Plantar fasciitis**

**2010 July** Surveillance snapshot: Plantar fasciitis

---

**Pneumococcus**

**2009 March** Field investigation: Fatal pneumococcal meningitis, Fort Leonard Wood, Missouri, February 2009

**2009 March** Surveillance snapshot: Immunization against and incidence of pneumococcal disease

**1999 May** Pneumococcal pneumonia outbreak, Fort Benning

---

**Pneumonia**

**2015 September** Deployment-related conditions of special surveillance interest

**2015 July** Deployment-related conditions of special surveillance interest

**2015 June** Deployment-related conditions of special surveillance interest

**2015 May** Deployment-related conditions of special surveillance interest

**2014 May** Deployment-related conditions of special surveillance interest

**2013 May** Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?

**2012 September** Update: Pneumonia-influenza and severe acute respiratory illnesses, active component, U.S. Armed Forces, July 2000-June 2012

**2012 September** Pneumonia and influenza among military members and other beneficiaries of the U.S. military health system, 2007-2012

**2006 Jan/Feb** Pneumonia and influenza among non-military beneficiaries of the U.S. military health system, January 2001 - December 2004

**2005 Sep/Oct** Pneumonia and influenza among active component members, U.S. Armed Forces, January 2001-October 2005

**1999 May** Pneumococcal pneumonia outbreak, Fort Benning

**1997 February** Pneumonia among active duty soldiers 1990-1996

---

**Poisoning, Exposure**

**2016 November** Acetaminophen overdoses, active component, U.S. Armed Forces, 2006–2015

**2011 November** Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010

**2008 October** Clinically significant carbon monoxide poisoning, active and reserve components, U.S. Armed Forces, July 1998 - June 2008

**2008 July/August** Occupational bloodborne pathogen exposure, medical personnel, active component, U.S. Armed Forces, 1998-2007

---

*MSMR Index January 2019*
2001  February  Carbon Monoxide Poisoning in a Family of Five, Olsbrucken, Germany
1997  December  Carbon monoxide intoxication, Ft. Hood and Ft. Campbell
1995  December  Hydrogen sulfide exposure, Ft Irwin
1995  April  Chemical agent exposure, Germany

Pregnancy, Childbirth

2015  May  Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015  May  Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013  September  Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2013  September  Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013  August  Letter to the Editor
2011  December  Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011  December  Brief report: Births, active component, 2001-2010
2010  November  Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2001  July  Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999
1995  October  Mefloquine use in pregnant soldiers

Prescriptions, Medications

2018  June  Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2015  September  Brief report: Rate of prescriptions by therapeutic classification, active component, U.S. Armed Forces, 2014

Reportable, Notifiable

2018  February  Update: Malaria, U.S. Armed Forces, 2017

MSMR Index January 2019
Completeness and timeliness of reporting of notifiable medical conditions, active component, U.S. Armed Forces, 2008–2014

Reported gastrointestinal infections in the U.S. Air Force, 2000–2012

The Reportable Events Monthly Report (REMR)

Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis

Sentinel reportable medical events, service members and other beneficiaries of the U.S. military health system, first calendar quarter, 2012 versus 2011

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through November of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through October of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through September of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through August of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through July of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through June of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through May of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through April of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through March of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through February of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through January of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through December of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through November of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through October of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through September of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through August of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through July of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through June of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through May 2008 through May 2009

Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through April 2009

Reportable medical events, active and Reserve components, U.S. Armed Forces, 2008

Sentinel reportable medical events, active component, U.S. Armed Forces, cumulative numbers through January 2008 and January 2009

Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through December 2007 and December 2008

*MSMR Index January 2019*
Risk factor analysis (part II), hospitalizations, OJE
Risk factor analysis (part I), hospitalizations, OJE
STD trends, risk correlates and recurrences
Ross River virus disease, Exercise Tandem Thrust 97
Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004
Rubella outbreak in German troops, Ft. Bragg
Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
Incidence of Salmonella infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
Reported gastrointestinal infections in the U.S. Air Force, 2000–2012
Foodborne outbreak, Salmonella gastroenteritis
Incident diagnoses of sarcoidosis, active components, U.S. Armed Forces, 1999-2007
Septicemia diagnosed during hospitalizations, active component service members, U.S. Armed Forces, 2000-2012
Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2013–June 2018
Human papillomavirus vaccine initiation, coverage, and completion rates among U.S. active component service members, 2007–2017
Review of the U.S. military’s human immunodeficiency virus program: a legacy of progress and a future of promise
Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2012–June 2017
Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
Rates of Chlamydia trachomatis infections across the deployment cycle, active component, U.S. Armed Forces, 2008–2015
Brief report: The epidemiology of herpes simplex virus type 2 infections in a large cohort of HIV-infected patients, 2006–2014
Editorial: What’s old is new again: Syphilis in the U.S. Army
Rates of Chlamydia trachomatis infections across the deployment cycle, active component, U.S. Armed Forces, 2008–2015
Brief report: The epidemiology of herpes simplex virus type 2 infections in a large cohort of HIV-infected patients, 2006–2014
Editorial: What's old is new again: Syphilis in the U.S. Army
MSMR Index January 2019
Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination

Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012

Sexually transmitted infections in U.S. Air Force recruits in basic military training

Incident and recurrent Chlamydia trachomatis and Neisseria gonorrhoeae infections, active component, U.S. Armed Forces, 2010–2014

Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014

Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012

Incidence of syphilis, active component, U.S. Armed Forces, 1 January 2010 through 31 August 2015

Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members

Relationships between diagnoses of sexually transmitted infections and urinary tract infections among male service members diagnosed with urethritis, active component, U.S. Armed Forces, 2000–2013

Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012

The changing landscape of controlling sexually transmitted infections in the U.S. Military

Sexually transmitted infections, active component, U.S. Armed Forces, 2000-2012

Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis

Chlamydia trachomatis screening initiative among U.S. Army soldiers assigned to Korea

Incidence of genital warts among U.S. service members before and after the introduction of the quadrivalent human papillomavirus vaccine

Human papillomavirus seroprevalence among men entering military service and seroincidence after ten years of service

The U.S. Military’s Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries

Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011

Quadrivalent human papillomavirus vaccine initiation, coverage, and compliance among active component service women, 2006-2011

Sentinel reportable STDs
1998 May/June Reportable sexually transmitted diseases, 2 year trends
1998 April Sentinel reportable STDs, 1997 (vs. 1996)

1995 May Notifiable sexually transmitted diseases
1995 April Notifiable sexually transmitted diseases
1995 April Notifiable sexually transmitted diseases

Shigella

MSMR Index January 2019
Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016

Reported gastrointestinal infections in the U.S. Air Force, 2000–2012

Upsurge in reported cases of *Shigella sonnei*, Fort Hood, Texas

*Shigella sonnei* diarrheal outbreaks

*Shigella sonnei* diarrheal outbreaks

*Shigella sonnei* diarrheal outbreaks

*Shigella sonnei* diarrheal outbreaks

*Shigella sonnei* diarrheal outbreaks

Herpes zoster, active component, U.S. Armed Forces, 2000-2016

Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014

Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014

Spread of vaccinia virus through shaving during military training, Joint Base San Antonio–Lackland, TX, June 2014

Sunburn among active component service members, U.S. Armed Forces, 2002–2013

Brief report: Sunburn diagnoses while deployed in Southwest/Central Asia, active component, U.S. Armed Forces, 2008–2013

Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012

Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012

Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012

Plant dermatitis, active component, U.S. Armed Forces, 2001-2010

Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008

Diagnoses of "envenomations" in relation to diagnoses of skin and soft tissue infections due to staphylococci/penicillin resistant bacteria, U.S. Military Members, January 2002-October 2007

Rash illness outbreak among British Soldiers

Rash outbreaks, U.S. forces operating in Belgium

Dermatitis outbreak, Heidelberg, Germany

Obstructive sleep apnea and associated attrition, active component, U.S. Armed Forces, January 2004–May 2016

Surveillance Snapshot: Sleep studies

Obstructive sleep apnea, active component, U.S. Armed Forces, January 2000-December 2009

Insomnia, active component, U.S. Armed Forces, January 2000-December 2009

Arthropod, lizard, and snake envenomations

MSMR Index January 2019
1997 May/June Brown recluse spider bites among infantry trainees

Spine

2016 January Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
2012 May Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
2010 July Thoracolumbar spine fractures, active and reserve components, 2000-2009

Staphylococcal infections

2018 August Brief report: Pre- and post-deployment prevalence of Staphylococcus aureus colonization among U.S. Navy submariners
2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012

Stone

2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010

Strength

2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
2003 Sep/Oct Active duty force strength by medical treatment facility locations, U.S. Army
2002 July Active duty force strength by military treatment facility, U.S. Army, April 2002
2002 March/April Characteristics of active duty personnel
2001 April Characteristics of active duty personnel
2001 January Supplement #1: Reportable medical events; Reportable events, by quarter, 2000; Reportable events, by patient category, 1999-2000; Active duty force strength (September 2000)
2000 Sep/Oct Active duty force strength (June 2000)
2000 August Force Strength, Active Duty Soldiers, April 2000
2000 April Force strength, U.S. Army, December 1999
2000 February Correction: Force strength, active duty soldiers (September 1999)
2000 January Supplement #1: Reportable medical events; Reportable events, by quarter, 1999; Reportable events, by patient category, 1998-1999; Active duty force strength (September 1999)
1999 Oct/Nov Active duty force strength (June 1999)
1999 June/July Active duty force strength (March 1999)
1999 June/July Active duty, 1985-1999
1999 April Force strength (December 1998)
1999 Jan/Feb Active duty force strength, September 1998
1998 Oct/Nov Active duty force strength (June 1998)
1998 July/August Active duty force strength (March 1998)
1998 April Force strength (December 1997)
1998 January Force strength (September 1997)
1997 October Force strength (June 1997)
1997 July/August Force strength (March 1997)
1997 March Force strength (December 1996)
Streptococcal infections

- 2013 June: Outbreak of Group A beta hemolytic Streptococcus pharyngitis in a Peruvian military facility, April 2012
- 2010 April: Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
- 2007 Sep/Oct: Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
- 1997 February: Group A beta hemolytic streptococcus among trainees
- 1995 November: Streptococcal TSS - Fort Leonard Wood, MO

Strongyloides

- 1996 May: Strongyloides stercoralis hyperinfection

Substance, drug use

- 2018 June: Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
- 2012 November: Substance Use Disorders in the U.S. Armed Forces, 2000-2011

Suicide

- 2018 June: Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
- 2013 September: Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
- 2012 September: Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
- 2012 June: Deaths by suicide while on active duty, active and reserve components, U.S. Armed Forces, 1998-2011
- 2012 February: Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
- 2011 April: Surveillance Snapshot: Hospitalizations for suicidal ideation, active component, 2005-2010

MSMR Index January 2019

### 2007 Feb/Mar
Stressors Prior to and Methods of Suicide, U.S. Air Force, 2000-2005

### Sulfide

1995 December Hydrogen sulfide exposure, Ft Irwin

### Surgery

2013 September Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
2012 December Appendicitis and appendectomies, active and reserve components, U.S. Armed Forces, 2002-2011
2012 December Appendicitis and appendectomies among non-service member beneficiaries of the Military Health System, 2002-2011

### Surveillance methods

2018 June Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015
2017 September Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
2013 August Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
2013 February Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
2013 February The U.S. Military’s Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries
2012 March Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
2011 October Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998-2010
2009 November Deriving case counts from medical encounter data: considerations when interpreting health surveillance reports

### Symptoms, Signs

2013 June Incident diagnoses of common symptoms (“sequelae”) following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
2013 April Signs, symptoms, and ill-defined conditions, active component, U.S. Armed Forces, 2000-2012

### Syncope

**MSMR Index January 2019**
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

2013 November Syncope among U.S. Air Force Basic Military Trainees, August 2012-July 2013
2013 November Syncope, active and reserve components, U.S. Armed Forces, 1998-2012

Syphilis

2017 September Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
2016 February Editorial: What’s old is new again: Syphilis in the U.S. Army
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2015 September Incidence of syphilis, active component, U.S. Armed Forces, 1 January 2010 through 31 August 2015

Tendon

Tetanus

1997 January Tetanus, Fort Bragg, North Carolina

Training, Recruits

2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2018 May Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2017
2017 August Challenges with diagnosing and investigating suspected active tuberculosis disease in military trainees
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2015 December Follow-up analysis of the incidence of acute respiratory infections among enlisted service members during their first year of military service before and after the 2011 resumption of adenovirus vaccination of basic trainees
2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014

MSMR Index January 2019
An outbreak of Campylobacter enteritis associated with a community water supply on a U.S. military installation, 2014

Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?, 2013

Acute respiratory disease, basic training centers, U.S. Army, 2000-2012

Acute respiratory disease, basic training centers, U.S. Army, 2010-2012

Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010, 2010

Surveillance Snapshot: Illness and injury burdens among U.S. military recruits, 2010

Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009, 2010

Preliminary report: Febrile acute respiratory disease caused by adenovirus type 14, U.S. Coast Guard training center, Cape May, New Jersey, March 2009, 2010

**Tuberculosis, TB**

**MSMR Index January 2019**
Challenges with diagnosing and investigating suspected active tuberculosis disease in military trainees
Development and implementation of a cohort review for latent tuberculosis infection
Brief report: number of tuberculosis tests and diagnoses of latent tuberculosis infection in active component service members, U.S. Armed Forces, January 2004–December 2014
Editorial: Can the active component U.S. Military achieve tuberculosis elimination?
Tuberculosis trends in the U.S. Armed Forces, active component, 1998-2012
Using the tuberculosis cohort review to evaluate and improve the U.S. Army’s tuberculosis control program
Case report: Multi-drug resistant tuberculosis (MDR-TB), wife of a U.S. Servicemember, 2004
Outbreak, rapidly-growing mycobacterial infection
TB Skin Test Converters, Ft. Leavenworth
TB skin test results, Ft. Leavenworth, Kansas
Multidrug-Resistant Tuberculosis - WRAMC
Surveillance for tuberculosis infection, WRAMC

Tularemia case report

Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
Relationships between diagnoses of sexually transmitted infections and urinary tract infections among male service members diagnosed with urethritis, active component, U.S. Armed Forces, 2000–2013
Urinary tract infections during deployment, active component, U.S. Armed Forces, 2008–2013
Urinary tract infections, active component, U.S. Armed Forces, 2000–2013
Urinary stones, active component, U.S. Armed Forces, 2001-2010
Urinary tract infections among active duty members, U.S. Armed Forces, 1998-2002
Hematuria among active duty members, U.S. Armed Forces, 1999-2000
Hemorrhagic fever with renal syndrome, Korea

Department of Defense end-of-season influenza vaccine effectiveness estimates for the 2017–2018 season
Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2013–April 2018
Human papillomavirus vaccine initiation, coverage, and completion rates among U.S. active component service members, 2007–2017
Brief report: Department of Defense midseason vaccine effectiveness estimates for the 2017–2018 influenza season
Brief report: Department of Defense Global, Laboratory-based Influenza Surveillance Program’s influenza vaccine effectiveness estimates and surveillance trends for 2016–2017 influenza season
Surveillance snapshot: Influenza vaccine effectiveness, U.S. European Command, as estimated by the Department of Defense Global, Laboratory-Based Influenza Surveillance Program, 2016–2017 influenza season
Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2012–April 2017

Brief report: Mid-season influenza vaccine effectiveness estimates for the 2016–2017 influenza season

The DoD Global, Laboratory-based, Influenza Surveillance Program: summary for the 2013–2014 influenza season

Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination

Follow-up analysis of the incidence of acute respiratory infections among enlisted service members during their first year of military service before and after the 2011 resumption of adenovirus vaccination of basic trainees

Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2010–April 2015

Tdap vaccination coverage during pregnancy, active component service women, 2006–2014

Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014

Measles and mumps among service members and other beneficiaries of the U.S. Military Health System, January 2007–December 2014

Spread of vaccinia virus through shaving during military training, Joint Base San Antonio–Lackland, TX, June 2014

Mid-season influenza vaccine effectiveness estimates for the 2013–2014 influenza season

Syncope, active and reserve components, U.S. Armed Forces, 1998-2012

Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?

Mid-season influenza vaccine effectiveness for the 2012-2013 influenza season

Incidence of genital warts among U.S. service members before and after the introduction of the quadrivalent human papillomavirus vaccine

Surveillance Snapshot: influenza immunization among health care workers, August 2002-April 2012

Quadrivalent human papillomavirus vaccine initiation, coverage, and compliance among active component service women, 2006-2011

Initial assessment of impact of adenovirus type 4 and type 7 vaccine on febrile respiratory illness and virus transmission in military basic trainees, March 2012

Surveillance Snapshot: adenovirus among U.S. military recruit trainees

Case report: chest pain in service members following smallpox vaccination

Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment

Surveillance Snapshot: Influenza immunization among healthcare workers

Contact transfer of vaccinia virus from U.S. military smallpox vaccinees, U.S. Armed Forces, December 2002-May 2010

Policy brief: Department of Defense vaccine guidance for novel H1N1 influenza

Surveillance Snapshot: Influenza immunizations among health care workers

Surveillance snapshot: Immunization against and incidence of pneumococcal disease

Surveillance immunizations, September 2006-April 2008

Surveillance Snapshot: Transition to new smallpox vaccine (ACAM2000™)

Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006

Vaccine-Preventable Diseases, Military Members and Other Beneficiaries of the U.S. Military Health System, 2005-2006
2006 October Incidence of mumps in relation to universal MMR vaccination versus vaccination after serological screening of U.S. military recruits, 2000-2004
2001 May/June Acute Side Effects of Anthrax Vaccine in ROTC Cadets Participating In Advanced Camp, Fort Lewis, 2000
1998 December Tick-borne encephalitis vaccine, Bosnia-Herzegovina
1996 October 1996-97 Influenza immunization guidelines
1995 December GBS following Influenza immunization
1995 October Influenza immunization guidelines, 1995-96

Varicella, Chickenpox, Herpes zoster

2018 March Herpes zoster, active component, U.S. Armed Forces, 2000-2016
2017 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
2011 July Herpes zoster, active component, U.S. Armed Forces, 2000-2010
1999 May Varicella Primary Prevention Program (VPPP), Fort Knox
1998 April Varicella outbreak at Fort Knox
1997 October Varicella among active duty soldiers

Vectorborne diseases

2018 November Editorial: Malaria in the Korean peninsula: Risk factors, latent infections, and the possible role of tafenoquine, a new antimalarial weapon
2018 November Cluster of vivax malaria in U.S. soldiers training near the demilitarized zone, Republic of Korea during 2015
2018 February Update: Malaria, U.S. Armed Forces, 2017
2018 February Diagnostic evaluation of military blood donors screening positive for Trypanosoma cruzi infection
2016 December Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
2016 May Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016
2015 October Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015
2015 August Case report: Probable murine typhus at Joint Base San Antonio, TX
2015 May Case series: Chikungunya and dengue at a forward operating location
2015 March Characterizing the relationship between tick bites and Lyme disease in active component U.S. Armed Forces in the eastern United States
2014 May The geographic distribution of incident Lyme disease among active component service members stationed in the continental United States, 2004–2013
2014 January Editorial: the military and its potential role in malaria elimination
2014 January Report of two cases of vivax malaria in U.S. soldiers and a review of malaria in the Republic of Korea
2014 January Surveillance snapshot: self-reported malaria prophylaxis compliance among service members with diagnosed malaria, 2008-2013
2014 January Images in health surveillance: dengue and chikungunya virus vectors and prevention
Confirmed malaria cases among active component U.S. Army personnel, January-September 2012

Editorial: presumptive anti-relapse treatment for malaria in military forces

Images in health surveillance: permethrin treatment of uniforms

Images in health surveillance: West Nile virus vectors and prevention

Images in health surveillance: tickborne disease vectors and Lyme disease clinical diagnosis

Five most common arthropod-borne diseases among active duty servicemembers in the U.S. Armed Forces, 1995-1999

Vein, Thromboembolism

Deep vein thromboembolism among members of active and reserve components, U.S. Armed Forces, 1999-2008

Women, female

Incidence and burden of gynecologic disorders, active component service women, U.S. Armed Forces, 2012–2016

Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination

Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012

Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2015 June Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015 May Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013 September Brief report: polycystic ovary syndrome, active component service women, U.S. Armed Forces, 2000-2012
2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 September Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2002-2012
2012 July Health of women after wartime deployments: correlates of risk for selected medical conditions among females after initial and repeat deployments to Afghanistan and Iraq, active component, U.S. Armed Forces
2012 July Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
2011 December Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010
2011 December Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
2011 December Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate
2011 December Brief report: Births, active component, 2001-2010
2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
2010 November Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2009 November Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 October Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2008 May Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007
2001 July Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999
