### Abscess

- **2015 July** Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
- **2013 December** Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
- **2013 December** Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
- **2013 January** Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
- **2006 May/June** Cellulitis and abscess, active components, U.S. Armed Forces, 2002-2005

### Accident

- **2018 September** Update: Lightning strike injuries, active component, U.S. Armed Forces, 2008–2017
- **2018 September** Fireworks injuries, active component, U.S. Armed Forces, 2008–2017
- **2016 June** Identification of specific activities associated with fall-related injuries, active component, U.S. Army, 2011
- **2016 February** Deployment-related conditions of special surveillance interest
- **2016 January** Deployment-related conditions of special surveillance interest
- **2015 December** Deployment-related conditions of special surveillance interest
- **2015 September** Deployment-related conditions of special surveillance interest
- **2015 June** Deployment-related conditions of special surveillance interest
- **2015 May** Deployment-related conditions of special surveillance interest
- **2013 November** Update: motor vehicle-related deaths, active and reserve components, U.S. Armed Forces, 1999-2012
- **2012 September** Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
- **2012 September** Health care encounters for injuries associated with a gun mechanism or component, U.S. Armed Forces
- **2011 March** Motorcycle and other motor vehicle accident-related deaths, U.S. Armed Forces, 1999-2010
- **2010 February** Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009
- **2009 June** Motorcycle accidents, active component, U.S. Armed Forces, 1998-2008
- **2009 June** Accidental drownings, active component, U.S. Armed Forces, 2004-2008

### Adenovirus

- **2019 February** Outbreak of acute respiratory illness associated with adenovirus type 4 at the U.S. Naval Academy, 2016
- **2015 December** Follow-up analysis of the incidence of acute respiratory infections among enlisted service members during their first year of military service before and after the 2011 resumption of adenovirus vaccination of basic trainees
- **2013 May** Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?
- **2012 March** Initial assessment of impact of adenovirus type 4 and type 7 vaccine on febrile respiratory illness and virus transmission in military basic trainees, March 2012
- **2012 March** Surveillance Snapshot: adenovirus among U.S. military recruit trainees
- **2009 May** Preliminary report: Febrile acute respiratory disease caused by adenovirus type 14, U.S. Coast Guard training center, Cape May, New Jersey, March 2009
- **2000 July** Adenovirus type 4 outbreak among basic trainees, Ft. Benning, Georgia, April-May 2000
- **1997 October** Adenovirus, type 4, Ft. Jackson and Ft. Gordon

1995 October Adenovirus serosurvey, basic trainees
1995 June Adenovirus Outbreak - Fort Jackson

Agent

1995 April Chemical agent exposure, Germany

Alcohol

2018 March Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016
2012 February Surveillance snapshot: Recurrent medical encounters associated with alcohol abuse-related diagnostic codes, active component, U.S. Armed Forces, 2001-2010
2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
2011 October Alcohol-related diagnoses, active component, U.S. Armed Forces, 2001-2010
2008 November Surveillance Snapshot: Alcohol abuse among teenaged military members
2002 November Surveillance Snapshot: Alcohol abuse among teenaged military members

Allergy

Alternative

2016 July Use of complementary health approaches at military treatment facilities, active component, U.S. Armed Forces, 2010–2015

Ambulatory, outpatient

2018 May Ambulatory visits, active component, U.S. Armed Forces, 2017
2016 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2015
2015 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2014
2014 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2013
2013 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2012
2012 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2011
2011 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2010
2010 April Ambulatory visits among members of the active component, U.S. Armed Forces, 2009
2009 April Ambulatory visits among members of active components, U.S. Armed Forces, 2008
2008 April Ambulatory visits among members of active components, U.S. Armed Forces, 2007
2007 April Ambulatory visits among members of active components, U.S. Armed Forces, 2006
2006 April Ambulatory visits among active component members, U.S. Armed Forces, 2005
2005 April Ambulatory visits among active component members, U.S. Armed Forces, 2004
2004 April Ambulatory visits among active component members, U.S. Armed Forces, 2003
2003 April Ambulatory visits among active duty members, U.S. Armed Forces, 2002
2002 Sep/Oct Installation specific lost duty time reports: hospitalization and ambulatory encounters at the installation level - overall experience of the U.S. Army, August 2002

2014 May Deployment-related conditions of special surveillance interest
2014 March Deployment-related conditions of special surveillance interest
2014 February Deployment-related conditions of special surveillance interest
2013 June Deployment-related conditions of special surveillance interest
2012 June Amputations of upper and lower extremities, active and reserve components, U.S. Armed Forces, 2000-2011

Anemia

Anthrax vaccine

2001 May/June Acute Side Effects of Anthrax Vaccine in ROTC Cadets Participating In Advanced Camp, Fort Lewis, 2000

Appendicitis

2012 December Appendicitis and appendectomies, active and reserve components, U.S. Armed Forces, 2002-2011
2012 December Appendicitis and appendectomies among non-service member beneficiaries of the Military Health System, 2002-2011

MSMR Index March 2019
2012 December Seasonal variation in incident diagnoses of appendicitis among beneficiaries of the Military Health System, 2002-2011

Applicants

2018 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2013–June 2018
2012 August Updates: Routine screening for antibodies to human immunodeficiency virus, type 1 (HIV-1), civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2010 September Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2009 August Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2008 July/August Updates: routine screening for antibodies to HIV-1 among civilian applicants for U.S. Military Service; U.S. Army and U.S. Air Force, active and reserve components; U.S. Navy and Marine Corps, Active Duty
2005 July/August Update: Human immunodeficiency virus, type 1 (HIV-1) antibody screening among active and Reserve component soldiers and civilian applicants for military service, January 1990–June 2005
2004 July/August Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985–June 2004
2003 July/August Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985–June 2003
2002 July Human immunodeficiency virus type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985–June 2002
2001 July Human Immunodeficiency Virus, Type 1, antibody screening among soldiers and civilian applicants for military service, 1985–2001
1999 June/July Civilian applicants for service
1998 July/August HIV-1 testing, civilian applicants for service
1997 July/August Prevalence of HIV-1, civilian applicants
1996 June/July Prevalence of HIV-1, civilian applicants
1995 June Prevalence of HIV-1, civilian applicants

ARD, respiratory

2019 February Outbreak of acute respiratory illness associated with adenovirus type 4 at the U.S. Naval Academy, 2016
2018 October Department of Defense end-of-season influenza vaccine effectiveness estimates for the 2017–2018 season
2018 October Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2013–April 2018
2018 August Sampling considerations for detecting genetic diversity of influenza viruses in the DoD Global Respiratory Pathogen Surveillance Program

2017 August  Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
2016 July  Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
2015 February  Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
2015 February  Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
2013 June  Incident diagnoses of common symptoms (“sequelae”) following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
2013 May  Epilepsy in active component service members, 1998-2012
2011 May  Surveillance Snapshot: Emergency departments visits for traumatic brain injury
2008 December  Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008
2008 October  Notice to readers: New surveillance case definition for traumatic brain injury (TBI)
1998 December  Tick-borne encephalitis vaccine, Bosnia-Herzegovina

Breast
2013 September  Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2009 October  Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

Brucellosis
2004 July/August  Brucellosis in a soldier who recently returned from Iraq

Bunion

Burden
2018 June  Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015
2018 May  Absolute and relative morbidity burdens attributable to various illnesses and injuries, active component, U.S. Armed Forces, 2017
2018 May  Surveillance snapshot: Illness and injury burdens, reserve component, U.S. Armed Forces, 2017
2018 May  Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2017
2018 May  Morbidity burdens attributable to various illnesses and injuries, deployed active and reserve component service members, U.S. Armed Forces, 2017
2018 May  Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the Military Health System, 2017

MSMR Index March 2019
2017 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, active component, U.S. Armed Forces, 2016

*MSMR Index March 2019*
2011 March Update: Exertional rhabdomyolysis among U.S. military members, 2009

Eye

2015 March Incidence and prevalence of diagnoses of eye disorders of refraction and accommodation, active component service members, U.S. Armed Forces, 2000–2014
2011 May Eye injuries, active component, U.S. Armed Forces, 2000-2010

Female, Women

2016 February Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
2016 February  Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February  Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February  Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February  Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2015 June  Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
2015 May  Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015 May  Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013 September  Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2013 September  Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013 September  Brief report: polycystic ovary syndrome, active component service women, U.S. Armed Forces, 2000-2012
2013 September  Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 September  Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
2013 September  Menorrhagia, active component service women, U.S. Armed Forces, 1998-2012
2013 September  Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2012 July  Health of women after wartime deployments: correlates of risk for selected medical conditions among females after initial and repeat deployments to Afghanistan and Iraq, active component, U.S. Armed Forces
2012 July  Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
2011 December  Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011 December  Urinary stones, active component, U.S. Armed Forces, 2001-2010
2011 December  Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
2011 December  Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate
2011 December  Brief report: Births, active component, 2001-2010
2010 November  Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2009 November  Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 October  Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2008 May  Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007

2001 July  Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999

Fever, various

2016 December  Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
2016 May  Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016
2015 October  Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015
2015 August  Case report: Probable murine typhus at Joint Base San Antonio, TX
2015 May  Case series: Chikungunya and dengue at a forward operating location
2010 May  Surveillance Snapshot: Q fever
1998 January  Fevers of unknown origin among active duty soldier
1997 October  Typhoid fever, Tripler Army Medical Center
1995 December  Korean hemorrhagic fever, Korea
1995 November  Dengue Fever, Fort Lewis, WA
1995 November  Surveillance trends: Dengue Fever
1995 September  Hemorrhagic fever with renal syndrome, Korea

Fitness

1996 April  Injuries and fitness in BCT units, FLW, MO

Fracture

2011 May  Stress fractures, active component, U.S. Armed Forces, 2004-2010
2010 July  Thoracolumbar spine fractures, active and reserve components, 2000-2009
2010 February  Surveillance Snapshot: Medical evacuations for humeral fractures due to arm wrestling
1997 December  Spontaneous fractures of the femur

Fungi

2018 April  Coccidioidomycosis, active component, U.S. Armed Forces, 2007–2017
2014 June  The geographic distribution of incident coccidioidomycosis among active component service members, 2000–2013

Gallbladder

Gastroenteritis, diarrhea

2018 August  Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2017 July  Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017

MSMR Index March 2019

Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach

Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach

Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014

Incidence of *Campylobacter* infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013

Incidence of *Campylobacter* infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013

An outbreak of *Campylobacter* enteritis associated with a community water supply on a U.S. military installation

Reported gastrointestinal infections in the U.S. Air Force, 2000–2012

Gastrointestinal infections, active component, U.S. Armed Forces, 2002-2012

Outbreak of Gastrointestinal Illness During Operation New Horizons in Pisco, Peru, July 2012

Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011

Historical perspective: Norovirus gastroenteritis outbreaks in military forces

Acute Gastroenteritis Outbreak at the Armed Forces Retirement Home, Washington, DC

Surveillance Snapshot: Gastroenteritis-related Hospitalizations, 2001-2010

Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006

Norwalk-like viral gastroenteritis outbreak, Fort Bliss

Foodborne outbreak, *Salmonella* gastroenteritis

Gastroenteritis outbreaks among military trainees

Shigella sonnei diarrheal outbreaks

Diarrhea outbreak - Croatia

Diarrheal outbreak - Haiti

**Gastrointestinal disorders**

Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016

Incidence of gastrointestinal infections among U.S. active component service members stationed in the U.S. compared to U.S. civilians, 2012–2014

Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017

**Gonorrhea**

Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018

Incident and recurrent *Chlamydia trachomatis* and *Neisseria gonorrhoeae* infections, active component, U.S. Armed Forces, 2010-2014

**MSMR Index March 2019**
2016 February  Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006-2012
2014 November Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
2013 February  Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
2013 February The U.S. Military's Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries

Guillain-Barré Syndrome

2012 March  Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
1995 December GBS following Influenza immunization

Hantavirus

Hearing

2011 June Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
1997 December U.S. Army Hearing Conservation Program (HCP)

HEARS

1996 March Preliminary data: HEARS

Heat

2018 April Update: Heat illness, active component, U.S. Armed Forces, 2017

MSMR Index March 2019

Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018

Brief report: The epidemiology of herpes simplex virus type 2 infections in a large cohort of HIV-infected patients, 2006-2014

Deployment-related conditions of special surveillance interest

Histoplasmosis outbreak, U.S. soldiers, Panama

Historical perspective: Leptospirosis outbreaks affecting military forces

Medical Surveillance Monthly Report: The first 20 years

Historical perspective: coccidioidomycosis in the U.S. military and military-associated populations

Historical snapshot: Dr. Mary E. Walker, Civil War surgeon, Medal of Honor recipient

Historical snapshot: Dr. Anna Baeljer, industrial hygiene pioneer, military occupational health advocate

Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2013–June 2018

Review of the U.S. military's human immunodeficiency virus program: a legacy of progress and a future of promise
1998  July/August  HIV-1 testing, civilian applicants for service
1998  July/August  HIV-1 tests, summary, U.S. Army, 1997
1997  July/August  HIV-2, Walter Reed Army Medical Center
1997  July/August  Supplement #1: HIV-1 in the Army
1997  July/August  HIV-1 testing program, 1985-1996
1997  July/August  Status of HIV-1 infected patients
1997  July/August  Prevalence of HIV-1, civilian applicants
1996  June/July  Supplement: HIV-1 in the Army
1996  June/July  Status of HIV-1 infected patients
1996  June/July  Active duty soldiers infected with HIV-1
1996  June/July  Prevalence of HIV-1, civilian applicants
1995  June  Supplement: HIV-1 infection
1995  June  Status of HIV-1 infected patients
1995  June  Prevalence of HIV-1, civilian applicants
1995  June  Active duty soldiers infected with HIV-1
1995  June  HIV-1 testing program, 1985 - 1994

Hookworm

1996  June/July  Hookworm Disease - Ft. Drum, NY

Hospital

2018  May  Hospitalizations, active component, U.S. Armed Forces, 2017
2017  April  Hospitalizations, active component, U.S. Armed Forces, 2016
2016  April  Hospitalizations among members of the active component, U.S. Armed Forces, 2015
2016  March  Correlation between antimicrobial resistance in *Escherichia coli* infections in hospitalized patients and rates of inpatient prescriptions for selected antimicrobial agents, Department of Defense hospitals, 2010–2014
2015  April  Hospitalizations among members of the active component, U.S. Armed Forces, 2014
2014  April  Hospitalizations among members of the active component, U.S. Armed Forces, 2013
2013  August  Septicemia diagnosed during hospitalizations, active component service members, U.S. Armed Forces, 2000-2012
2013  August  Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
2013  July  Summary of mental disorder hospitalizations, active and reserve components, U.S. Armed Forces, 2000-2012
2013  April  Hospitalizations among members of the active component, U.S. Armed Forces, 2012
2012  April  Hospitalizations among members of the active component, U.S. Armed Forces, 2011
2011  November  Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
2011  June  Surveillance Snapshot: Gastroenteritis-related Hospitalizations, 2001-2010
2011  April  Hospitalizations among members of the active component, U.S. Armed Forces, 2010
2011  April  Surveillance Snapshot: Hospitalizations for suicidal ideation, active component, 2005-2010
2010  April  Hospitalizations among members of the active component, U.S. Armed Forces, 2009
2009  October  Surveillance Snapshot: Hospitalization rates for hepatitis A
2009  April  Hospitalizations among members of active components, U.S. Armed Forces, 2008
2008  April  Hospitalizations among members of active components, U.S. Armed Forces, 2007

Hospitalization Experience within One Year after Returning from Afghanistan or Iraq, January 2002-September 2006

Hospitalizations among members of active components, U.S. Armed Forces, 2006

Relationships between the Timing and Causes of Hospitalizations Before and After Deploying to Iraq or Afghanistan, active components, U.S. Armed Forces, 2002-2005

Hospitalizations among active component members, U.S. Armed Forces, 2005

Hospitalizations among active component members, U.S. Armed Forces, 2004

Hospitalizations for Acute Respiratory Failure (ARF) /Acute Respiratory Distress Syndrome (ARDS) among participants in Operation Enduring Freedom/Operation Iraqi Freedom, active components, U.S. Armed Forces, January 2003-November 2004

Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2003

Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Naval medical treatment facilities, 1998-2003

Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2003

Hospitalizations among active component members, U.S. Armed Forces, 2003

Installation specific lost duty time reports: hospitalization and ambulatory encounters at the installation level - overall experience of the U.S. Army, August 2002

Rates and patterns of readmission after discharge from U.S. military hospitals, 2001

Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2001

Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2001

Completeness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Navy, January 1998 - June 2000

Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January 1995-June 2001

Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Navy, January 1998-June 2001

Completeness and Timeliness of Reporting of Hospitalized Notifiable Cases, U.S. Army, 2000

Hospitalizations among active duty personnel

Rapidly successive hospitalizations for mental disorders, active duty servicemembers, U.S. Armed Forces, 1991-2001

Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January 1995-June 2001

Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Navy, January 1998-June 2001

Assault - related hospitalizations, active duty military personnel, 1990 - 1999 (revised)

Assault - Related Hospitalizations, Active Duty Military, 1990 - 1999

Summary of hospitalizations, U.S. Army, 1999
1999 December  Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January 1999 - June 1999
1999 April    Supplement #1: Hospitalization summary, 1998
1999 April    Active duty hospitalizations
1999 April    Active duty hospitalization rates
1999 April    Hospitalization-related lost duty days
1999 April    Hospitalization-related lost duty rates
1998 Oct/Nov  Hospitalizations and outpatient visits, musculoskeletal disorders
1998 July/Aug  Trends in hospitalizations due to mental disorders
1998 April    Hospitalizations and noneffective days, 1997
1998 April    Supplement #1: Hospitalization Summary, 1997
1998 April    Active duty hospitalizations
1998 April    Active duty hospitalization rates
1998 April    Total active duty hospital sick days
1998 April    Noneffective rates, active duty hospitalizations
1998 Feb/Mar  Back pain hospitalizations among active duty soldiers, Part 1
1997 September  Risk factor analysis (part II), hospitalizations, OJE
1997 May/June  Risk factor analysis (part I), hospitalizations, OJE
1997 March    Hospitalizations and non-effective days, 1996
1997 March    Bosnia update: DNBI hospitalizations
1997 March    Surveillance trends: Hospitalization rates, Bosnia
1997 March    Supplement #1: Hospitalization Summary, 1996
1997 March    Active duty hospitalizations
1997 March    Active duty hospitalization rates
1997 March    Total active duty hospital sick days
1997 March    Non-effective rates, active duty hospitalizations
1997 February Surveillance trends: Hospitalization rates, Bosnia
1997 February  Bosnia update: DNBI hospitalizations
1997 January  Surveillance trends: Hospitalization rates, Bosnia
1997 January  Bosnia update: DNBI hospitalizations
1996 December Surveillance trends: Hospitalization rates, Bosnia
1996 December  Bosnia update: DNBI hospitalizations
1996 November Surveillance trends: Hospitalization rates, Bosnia
1996 November  Bosnia update: DNBI hospitalizations
1996 October Surveillance trends: Hospitalization rates, Bosnia
1996 October  Bosnia update: DNBI hospitalizations
1996 Aug/Sep  Surveillance trends: Hospitalization rates, Bosnia
1996 Aug/Sep   Bosnia update: DNBI hospitalizations
1996 June/July Surveillance trends: Hospitalization rates, Bosnia
1996 June/July Bosnia update: DNBI hospitalizations
1996 May    Surveillance trends: Hospitalization rates, Bosnia
1996 May    Bosnia update: DNBI hospitalizations
1996 April    Surveillance trends: Hospitalization rates, Bosnia
1996 April    Bosnia update: DNBI hospitalizations
1996 April    Supplement #1: 1995 Hospitalization Summary
1996 April    Active duty hospitalizations
1996 April    Hospitalization rates
1996 April    Total hospital sickdays
1996 March    Surveillance Trends: Hospitalization rates, Bosnia
1996 March    Bosnia update: DNBI Hospitalizations
1996 February Surveillance Trends: Hospitalizations, Bosnia
1996 February  Bosnia update: DNBI Hospitalizations
1996 January  Surveillance Trends: CWI hospitalization rates
1995 May    Injury hospitalizations, ODS
1995 April    Supplement #1: 1994 Hospitalization Summary

MSMR Index March 2019
Hydration, Hyponatremia, Hyposmolality, Water

2000 March Overhydration and hyponatremia among active duty soldiers, 1997-1999
1999 March Overhydration/hyponatremia, recent trends, U.S. Army
1998 July/August Hyposmolality related to excessive water consumption
1997 September Hyponatremia secondary to overhydration
1997 September Hyponatremia outbreak investigation

Infertility

2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012

Influenza, Flu

2018 October Department of Defense end-of-season influenza vaccine effectiveness estimates for the 2017–2018 season

Injury

2018 November Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2013–June 2018
2018 November Brief report: Increased number of possible rabies exposures among U.S. healthcare beneficiaries treated in military clinics in southern Germany in 2016
2018 July Major deployment-related amputations of lower and upper limbs, active and reserve components, U.S. Armed Forces, 2001–2017
2017 October Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2012–June 2017
2016 December Deployment-related conditions of special surveillance interest
2016 July Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
2016 June Identification of specific activities associated with fall-related injuries, active component, U.S. Army, 2011
2016 June Deployment-related conditions of special surveillance interest
2016 May Deployment-related conditions of special surveillance interest
2015 February Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
2015 February Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)

MSMR Index March 2019
2013 August  Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
2013 June  Incident diagnoses of common symptoms ("sequelae") following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
2013 June  Deployment-related conditions of special surveillance interest
2012 October  Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2007-June 2012
2012 September  Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
2012 September  Health care encounters for injuries associated with a gun mechanism or component, U.S. Armed Forces
2012 June  Amputations of upper and lower extremities, active and reserve components, U.S. Armed Forces, 2000-2011
2012 February  Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
2012 February  Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011
2011 October  Surveillance Snapshot: Reportable medical events of heat injury in relation to heat index, June-September 2011
2011 June  Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
2011 May  Eye injuries, active component, U.S. Armed Forces, 2000-2010
2011 May  Surveillance Snapshot: Emergency departments visits for traumatic brain injury
2011 April  Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010
2010 October  Illness and injury diagnoses within six months before retirement after 20 or more years of active service, active component, U.S. Armed Forces, 2000-2009
2010 October  Cold weather injuries, U.S. Armed Forces, July 2005 - June 2010
2010 April  Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009
2010 April  Surveillance Snapshot: Illness and injury burdens among U.S. military recruits
2010 February  Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009
2009 November  Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 June  Lightning strike injuries, active component, U.S. Armed Forces, 1999-2008
2009 April  Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008
2008 December  Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008

Trends in hospitalizations due to mental disorders

Non-alcoholic fatty liver disease (NAFLD), active component, U.S. Armed Forces, 2000–2017

Re-evaluation of the MSMR Case definition for Incident Cases of Malaria

Methods, surveillance

Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis

Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment

Sources of variability of estimates of malaria case counts, active and reserve components, U.S. Armed Forces

Deriving case counts from medical encounter data: considerations when interpreting health surveillance report

Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015

Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998-2010

Risk factors for migraine after OEF/OIF deployment, active component, U.S. Armed Forces

Migraines and other headaches, active components, U.S. Armed Forces, 2001-2007

Migraines among active duty military personnel, 1998-1999

Infectious Mononucleosis among Active Duty U.S. Servicemembers, 1998-1999

Pseudo-outbreak Associated with False Positive Laboratory Tests for Mononucleosis, Lackland Air Force Base, January-February 1999

Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2001-2007

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2000-2001

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2004-2005

Estimates of absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2003

Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999

Morbidity surveillance, field training exercise, Thailand

MSMR Index March 2019
Motorcycle accidents, active component, U.S. Armed Forces, 1998-2008

Reports submitted by MTFs

Multiple sclerosis

Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016

Multiple sclerosis, active component, U.S. Armed Forces, 2000-2009

Mumps

Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016

Measles and mumps among service members and other beneficiaries of the U.S. Military Health System, January 2007–December 2014

Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004

Incidence of mumps in relation to universal MMR vaccination versus vaccination after serological screening of U.S. military recruits, 2000-2004

Musculoskeletal disorders

Importance of external cause coding for injury surveillance: lessons from assessment of overexertion injuries among U.S. Army soldiers in 2014

Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000

Diagnoses of low back pain, active component, U.S. Armed Forces, 2010–2014

Arm and shoulder conditions, active component, U.S. Armed Forces, 2003-2012

Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011

Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999

Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001– 31 December 2017

Incidence rates of diagnoses of cardiovascular diseases and associated risk factors, active component, U.S. Armed Forces, 2007-2016

Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016

Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015

MSMR Index March 2019
### Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014

**December 2016**

In incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014

**July 2016**

Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012

**September 2013**

Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012

**June 2012**

Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, 2000-2011

**December 2011**

Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010

**June 2010**

Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009

**October 2009**

Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

**November 2008**

Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008

**Sep/Oct 2000**

Breast cancer among female soldiers, 1998 - 1999

**May/June 2000**

### Neurological disorders

**January 2019**

Acute flaccid myelitis: Case report

**December 2017**

**August 2017**

Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016

**March 2017**

**July 2016**

Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006-2015

**February 2015**

Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014

**February 2015**

Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)

**May 2013**

Epilepsy in active component service members, 1998-2012

**February 2012**

Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998-2010

**October 2011**

Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998-2010

### Noise

**June 2011**

Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010

**March 2001**

### Non-effective

**March 1997**

Hospitalizations and non-effective days, 1996

**March 1997**

Non-effective rates, active duty hospitalizations

**April 1996**

Non-effective rates

**April 1995**

Non-Effective Rates

### Norovirus

**August 2018**

Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017

Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach

Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011

Notice to readers: Department of Defense laboratory capabilities for testing for norovirus infection

Historical perspective: Norovirus gastroenteritis outbreaks in military forces

Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006

Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

Avoidance of nosocomial norovirus infection during the 2009 influenza pandemic

Update: Diagnoses of overweight and obesity, active component, U.S. Armed Forces, 2011-2015

Obstructive sleep apnea and associated attrition, active component, U.S. Armed Forces, January 2004–May 2016

Update: Diagnoses of overweight and obesity, active component, U.S. Armed Forces, 2011-2015

Diagnoses of obesity among active component service members, U.S. Armed Forces, 2007-2016

Diagnoses of eating disorders, active component service members, U.S. Armed Forces, 2013–2017

Incidence and prevalence of the metabolic syndrome using ICD-9 and ICD-10 diagnostic codes, active component, U.S. Armed Forces, 2002–2017

Diagnoses of eating disorders, active component service members, U.S. Armed Forces, 2013–2017

Body Mass Index (BMI) among 18-year old Civilian Applicants for U.S. Military Service 1996-2005

Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999

Duration of Service after Overweight-related Diagnoses, active component, U.S. Armed Forces, 1998-2010

Diagnoses of overweight/obesity, active component, U.S. Armed Forces, 1998-2010

Diagnoses of overweight/obesity, active component, U.S. Armed Forces, 1998-2008

Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007

Body Mass Index (BMI) among 18-year old Civilian Applicants for U.S. Military Service 1996-2005

Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999

1997 May/June Risk factor analysis (part I), hospitalizations, OJE
1997 May/June STD trends, risk correlates and recurrences

Ross River
1997 October Ross River virus disease, Exercise Tandem Thrust 97

Rubella
2017 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
2007 Feb/Mar Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004
1995 May Rubella outbreak in German troops, Ft. Bragg

Salmonella
2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2015 January Incidence of Salmonella infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
1998 September Foodborne outbreak, Salmonella gastroenteritis

Sarcoidosis

Septicemia
2013 August Septicemia diagnosed during hospitalizations, active component service members, U.S. Armed Forces, 2000-2012

Sexually transmitted disease, STD, STI
2019 March Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018
2018 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2013–June 2018
2018 September Human papillomavirus vaccine initiation, coverage, and completion rates among U.S. active component service members, 2007–2017
2017 September Review of the U.S. military’s human immunodeficiency virus program: a legacy of progress and a future of promise
2017 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2012–June 2017
2017 September Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
2016 March Brief report: The epidemiology of herpes simplex virus type 2 infections in a large cohort of HIV-infected patients, 2006–2014
2016 February Editorial: What’s old is new again: Syphilis in the U.S. Army

MSMR Index March 2019
2016 February Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2015 September Incidence of syphilis, active component, U.S. Armed Forces, 1 January 2010 through 31 August 2015
2014 November Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 February The changing landscape of controlling sexually transmitted infections in the U.S. Military
2013 February Sexually transmitted infections, active component, U.S. Armed Forces, 2000-2012
2013 February Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
2013 February Chlamydia trachomatis screening initiative among U.S. Army soldiers assigned to Korea
2013 February Incidence of genital warts among U.S. service members before and after the introduction of the quadrivalent human papillomavirus vaccine
2013 February Human papillomavirus seroprevalence among men entering military service and seroincidence after ten years of service
2013 February The U.S. Military’s Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries
2012 July Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
2012 May Quadrivalent human papillomavirus vaccine initiation, coverage, and compliance among active component service women, 2006-2011
1999 Oct/Nov Sentinel reportable STDs
1999 June/July Sentinel reportable STD’s, 1999 (vs. 1998)

### Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
- **2018** August

### Incidence of *Shigella* intestinal infections, active component, U.S. Armed Forces, 2007–2016
- **2017** June

- **2014** June

### Reported gastrointestinal infections in the U.S. Air Force, 2000–2012
- **2010** August

### Upsurge in reported cases of *Shigella sonnei*, Fort Hood, Texas
- **1997** July/August

### Shigella sonnei diarrheal outbreaks
- **1996** November

### Shigellosis case reports, WRAMC
- **1996** April

### Skin, Rash, Dermatitis

#### Herpes zoster, active component, U.S. Armed Forces, 2000-2016
- **2018** March

- **2017** July

- **2016** December

#### Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014
- **2015** July

#### Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
- **2014** August

#### Spread of vaccinia virus through shaving during military training, Joint Base San Antonio–Lackland, TX, June 2014
- **2014** July

#### Sunburn among active component service members, U.S. Armed Forces, 2002–2013
- **2014** July

#### Brief report: Sunburn diagnoses while deployed in Southwest/Central Asia, active component, U.S. Armed Forces, 2008–2013
- **2013** December

#### Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
- **2013** December

#### Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
- **2013** December

#### Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
- **2013** January

#### Plant dermatitis, active component, U.S. Armed Forces, 2001-2010
- **2011** July

#### Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008
- **2008** November

#### Diagnoses of "envenomations" in relation to diagnoses of skin and soft tissue infections due to staphylococci/penicillin resistant bacteria, U.S. Military Members, January 2002-October 2007
- **2007** December

- **2000** May/June

#### Rash illness outbreak among British Soldiers
- **1996** Aug/Sep

#### Rash outbreaks, U.S. forces operating in Belgium
- **1996** April

#### Dermatitis outbreak, Heidelberg, Germany
- **1995** September

### Sleep

- **2017** December

- **2017** December

#### Obstructive sleep apnea and associated attrition, active component, U.S. Armed Forces, January 2004–May 2016
- **2016** October

- **2014** October

#### Surveillance Snapshot: Conditions diagnosed concurrently with insomnia, active component, U.S. Armed Forces, 2003-2012
- **2013** July

#### Surveillance Snapshot: Sleep studies
- **2010** May

#### Obstructive sleep apnea, active component, U.S. Armed Forces, January 2000-December 2009
- **2010** May

#### Insomnia, active component, U.S. Armed Forces, January 2000-December 2009
- **2010** May

### Snake

#### Arthropod, lizard, and snake envenomations
- **1997** November

### Spider

1997 May/June  Brown recluse spider bites among infantry trainees

Spine

2016 January Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
2012 May Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
2010 July Thoracolumbar spine fractures, active and reserve components, 2000-2009

Staphylococcal infections

2018 August Brief report: Pre- and post-deployment prevalence of Staphylococcus aureus colonization among U.S. Navy submariners
2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012

Stone

2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010

Strength

2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
2003 Sep/Oct Active duty force strength by medical treatment facility locations, U.S. Army
2002 July Active duty force strength by military treatment facility, U.S. Army, April 2002
2002 March/April Characteristics of active duty personnel
2001 April Characteristics of active duty personnel
2001 January Supplement #1: Reportable medical events; Reportable events, by quarter, 2000; Reportable events, by patient category, 1999-2000; Active duty force strength (September 2000)
2000 Sep/Oct Active duty force strength (June 2000)
2000 August Force Strength, Active Duty Soldiers, April 2000
2000 April Force strength, U.S. Army, December 1999
2000 February Correction: Force strength, active duty soldiers (September 1999)
2000 January Supplement #1: Reportable medical events; Reportable events, by quarter, 1999; Reportable events, by patient category, 1998-1999; Active duty force strength (September 1999)
1999 Oct/Nov Active duty force strength (June 1999)
1999 June/July Active duty force strength (March 1999)
1999 June/July Active duty, 1985-1999
1999 April Force strength (December 1998)
1999 Jan/Feb Active duty force strength, September 1998
1998 Oct/Nov Active duty force strength (June 1998)
1998 July/August Active duty force strength (March 1998)
1998 April Force strength (December 1997)
1998 January Force strength (September 1997)
1997 October Force strength (June 1997)
1997 July/August Force strength (March 1997)
1997 March Force strength (December 1996)

MSMR Index March 2019
Streptococcal infections

2013 June Outbreak of Group A beta hemolytic Streptococcus pharyngitis in a Peruvian military facility, April 2012
2010 April Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
2007 Sep/Oct Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
1997 February Group A beta hemolytic streptococcus among trainees
1995 November Streptococcal TSS - Fort Leonard Wood, MO

Strongyloides

1996 May Strongyloides stercoralis hyperinfection

Substance, drug use

2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2018 March Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016
2012 November Substance Use Disorders in the U.S. Armed Forces, 2000-2011

Suicide

2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2014 October Suicides and suicide attempts among active component members of the U.S. Armed Forces, 2010–2012: Methods of self-harm vary by major geographic region of assignment
2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2012 September Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
2012 June Deaths by suicide while on active duty, active and reserve components, U.S. Armed Forces, 1998-2011
2012 February Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
2011 April Surveillance Snapshot: Hospitalizations for suicidal ideation, active component, 2005-2010

MSMR Index March 2019
### 2007 Feb/Mar
Stressors Prior to and Methods of Suicide, U.S. Air Force, 2000-2005

### Sulfide

1995 December
Hydrogen sulfide exposure, Ft Irwin

### Surgery

2019 March
Vasectomy and vasectomy reversals, active component, U.S. Armed Forces, 2000–2017

2016 August

2016 August

2016 May

2015 May

2014 June

2013 September
Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000–2012

2012 December
Appendicitis and appendectomies, active and reserve components, U.S. Armed Forces, 2002–2011

2012 December
Appendicitis and appendectomies among non-service member beneficiaries of the Military Health System, 2002-2011

2012 June
Appendicitis and appendectomies, active duty U.S. Armed Forces, 1990-1998

### Surveillance methods

2019 February
Re-evaluation of the MSMR Case definition for Incident Cases of Malaria

2018 June
Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015

2017 September
Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis

2015 November
Completeness and timeliness of reporting of notifiable medical conditions, active component, U.S. Armed Forces, 2008–2014

2013 August
Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

2013 February
Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis

2013 February
The U.S. Military’s Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries

2012 March
Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment

2011 October
Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998-2010

2009 December
Deriving case counts from medical encounter data: considerations when interpreting health surveillance reports

### Symptoms, Signs

2017 December

2016 June

2015 December

2013 June
Incident diagnoses of common symptoms ("sequelae") following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012

2013 April
Signs, symptoms, and ill-defined conditions, active component, U.S. Armed Forces, 2000-2012

*MSMR* Index March 2019
Tuberculosis, TB

2017 August Challenges with diagnosing and investigating suspected active tuberculosis disease in military trainees
2014 December Development and implementation of a cohort review for latent tuberculosis infection
2014 December Brief report: number of tuberculosis tests and diagnoses of latent tuberculosis infection in active component service members, U.S. Armed Forces, January 2004–December 2014
2013 May Editorial: Can the active component U.S. Military achieve tuberculosis elimination?
2013 May Tuberculosis trends in the U.S. Armed Forces, active component, 1998-2012
2013 May Using the tuberculosis cohort review to evaluate and improve the U.S. Army's tuberculosis control program
2005 May/June Case report: Multi-drug resistant tuberculosis (MDR-TB), wife of a U.S. Servicemember, 2004
1998 September Outbreak, rapidly-growing mycobacterial infection
1996 November TB Skin Test Converters, Ft. Leavenworth
1996 February TB skin test results, Ft. Leavenworth, Kansas
1996 January Multidrug-Resistant Tuberculosis - WRAMC
1995 June Surveillance for tuberculosis infection, WRAMC

Tularemia

1995 May Tularemia case report

Urinary tract, Bladder, Renal, Stone, Kidney

2015 June Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
2014 November Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010
1995 September Hemorrhagic fever with renal syndrome, Korea

Vaccine, Immunization

2018 October Department of Defense end-of-season influenza vaccine effectiveness estimates for the 2017–2018 season
2018 October Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2013–April 2018
2018 September Human papillomavirus vaccine initiation, coverage, and completion rates among U.S. active component service members, 2007–2017
2018 January Brief report: Department of Defense Global, Laboratory-based Influenza Surveillance Program’s influenza vaccine effectiveness estimates and surveillance trends for 2016–2017 influenza season
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

2007 Feb/Mar Vaccine-Preventable Diseases, Military Members and Other Beneficiaries of the U.S. Military Health System, 2005-2006
2006 October Incidence of mumps in relation to universal MMR vaccination versus vaccination after serological screening of U.S. military recruits, 2000-2004
2001 May/June Acute Side Effects of Anthrax Vaccine in ROTC Cadets Participating In Advanced Camp, Fort Lewis, 2000
1998 December Tick-borne encephalitis vaccine, Bosnia-Herzegovina
1996 October 1996-97 Influenza immunization guidelines
1995 December GBS following Influenza immunization
1995 October Influenza immunization guidelines, 1995-96

Varicella, Chickenpox, Herpes zoster

2018 March Herpes zoster, active component, U.S. Armed Forces, 2000-2016
2017 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
2011 July Herpes zoster, active component, U.S. Armed Forces, 2000-2010
1999 May Varicella Primary Prevention Program (VPPP), Fort Knox
1998 April Varicella outbreak at Fort Knox
1997 October Varicella among active duty soldiers

Vectorborne diseases

2019 February Update: Malaria, U.S. Armed Forces, 2018
2019 February Re-evaluation of the MSMR Case definition for Incident Cases of Malaria
2018 November Editorial: Malaria in the Korean peninsula: Risk factors, latent infections, and the possible role of tafenoquine, a new antimalarial weapon
2018 November Cluster of vivax malaria in U.S. soldiers training near the demilitarized zone, Republic of Korea during 2015
2018 February Update: Malaria, U.S. Armed Forces, 2017
2018 February Diagnostic evaluation of military blood donors screening positive for Trypanosoma cruzi infection
2016 December Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
2016 May Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016
2015 October Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015
2015 August Case report: Probable murine typhus at Joint Base San Antonio, TX
2015 May Case series: Chikungunya and dengue at a forward operating location
2015 March Characterizing the relationship between tick bites and Lyme disease in active component U.S. Armed Forces in the eastern United States
2014 May The geographic distribution of incident Lyme disease among active component service members stationed in the continental United States, 2004–2013
2014 January Editorial: the military and its potential role in malaria elimination
2014 January Report of two cases of vivax malaria in U.S. soldiers and a review of malaria in the Republic of Korea

MSMR Index March 2019
**MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.**

2014 January  Surveillance snapshot: self-reported malaria prophylaxis compliance among service members with diagnosed malaria, 2008-2013
2014 January  Images in health surveillance: dengue and chikungunya virus vectors and prevention
2013 January  Confirmed malaria cases among active component U.S. Army personnel, January-September 2012
2013 January  Editorial: presumptive anti-relapse treatment for malaria in military forces
2012 September  Images in health surveillance: West Nile virus vectors and prevention
2012 May  Images in health surveillance: tickborne disease vectors and Lyme disease clinical diagnosis
2000 March  Five most common arthropod-borne diseases among active duty service members in the U.S. Armed Forces, 1995-1999

**Vein, Thromboembolism**

2017 March  Deployment-related conditions of special surveillance interest
2017 February  Deployment-related conditions of special surveillance interest
2016 December  Deployment-related conditions of special surveillance interest
2016 October  Deployment-related conditions of special surveillance interest
2016 August  Deployment-related conditions of special surveillance interest
2016 June  Deployment-related conditions of special surveillance interest
2016 May  Deployment-related conditions of special surveillance interest
2016 March  Deployment-related conditions of special surveillance interest
2016 January  Deployment-related conditions of special surveillance interest
2015 December  Deployment-related conditions of special surveillance interest
2015 November  Deployment-related conditions of special surveillance interest
2015 October  Deployment-related conditions of special surveillance interest
2015 September  Deployment-related conditions of special surveillance interest
2015 August  Deployment-related conditions of special surveillance interest
2015 June  Deployment-related conditions of special surveillance interest
2015 May  Deployment-related conditions of special surveillance interest
2014 August  Deployment-related conditions of special surveillance interest
2014 June  Deployment-related conditions of special surveillance interest
2014 May  Deployment-related conditions of special surveillance interest
2014 April  Deployment-related conditions of special surveillance interest
2014 March  Deployment-related conditions of special surveillance interest
2014 February  Deployment-related conditions of special surveillance interest
2013 June  Deployment-related conditions of special surveillance interest
2009 August  Deep vein thromboembolism among members of active and reserve components, U.S. Armed Forces, 1999-2008

**Women, female**

2016 February  Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination

**MSMR Index March 2019**
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2015 June Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015 May Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013 September Depresion and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013 September Brief report: polycystic ovary syndrome, active component service women, U.S. Armed Forces, 2000-2012
2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 September Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
2013 September Menorrhagia, active component service women, U.S. Armed Forces, 1998-2012
2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2012 July Health of women after wartime deployments: correlates of risk for selected medical conditions among females after initial and repeat deployments to Afghanistan and Iraq, active component, U.S. Armed Forces
2012 July Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
2011 December Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010
2011 December Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
2011 December Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate
2011 December Brief report: Births, active component, 2001-2010
2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
2010 November Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2009 November Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 October Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2008 May Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007

MSMR Index March 2019
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

2001 July Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999

Zika virus

2016 December Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
2016 May Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016

Zoonoses

2019 January Historical perspective: Leptospirosis outbreaks affecting military forces

MSMR Index March 2019
