Arthritis

Arthropod

2019 November Editorial: Mitigating the risk of disease from tick-borne encephalitis in U.S. military populations
2019 November Tick-borne encephalitis surveillance in U.S. military service members and beneficiaries, 2006–2018
2019 November Case report: Tick-borne encephalitis virus infection in beneficiaries of the U.S. military healthcare system in southern Germany
2019 August Evaluation of serological testing for Lyme disease in Military Health System beneficiaries in Germany, 2013–2017
2019 August Historical review: Rickettsial diseases and their impact on U.S. military forces
2019 April Modeling Lyme disease host animal habitat suitability, West Point, New York
2018 November Editorial: Malaria in the Korean peninsula: Risk factors, latent infections, and the possible role of tafenoquine, a new antimalarial weapon
2018 November Cluster of vivax malaria in U.S. soldiers training near the demilitarized zone, Republic of Korea during 2015
2018 February Update: Malaria, U.S. Armed Forces, 2017
2018 February Diagnostic evaluation of military blood donors screening positive for Trypanosoma cruzi infection
2016 December Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
2016 May Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016
2015 October Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015
2015 August Case report: Probable murine typhus at Joint Base San Antonio, TX
2015 May Case series: Chikungunya and dengue at a forward operating location
2015 March Characterizing the relationship between tick bites and Lyme disease in active component U.S. Armed Forces in the eastern United States
2014 May The geographic distribution of incident Lyme disease among active component service members stationed in the continental United States, 2004–2013
2014 January Images in health surveillance: dengue and chikungunya virus vectors and prevention
2013 January Images in health surveillance: permethrin treatment of uniforms
2012 September Images in health surveillance: West Nile virus vectors and prevention
2012 May Images in health surveillance: tickborne disease vectors and Lyme disease clinical diagnosis
2000 March Five most common arthropod-borne diseases among active duty servicemembers in the U.S. Armed Forces, 1995-1999
1997 November Arthropod, lizard, and snake envenomations
1997 May/June Brown recluse spider bites among infantry trainees

Brain

2019 November Editorial: Mitigating the risk of disease from tick-borne encephalitis in U.S. military populations
2019 November Tick-borne encephalitis surveillance in U.S. military service members and beneficiaries, 2006–2018
2019 November Case report: Tick-borne encephalitis virus infection in beneficiaries of the U.S. military healthcare system in southern Germany
2019 August Epidemiology of impulse control disorders and association with dopamine agonist exposure, active component, U.S. Armed Forces, 2014–2018
2017 August Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
2016 July Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
2015 February Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
2015 February Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
2013 June Incident diagnoses of common symptoms (“sequelae”) following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
2013 May Epilepsy in active component service members, 1998-2012
2011 May Surveillance Snapshot: Emergency departments visits for traumatic brain injury
2008 December Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008
2008 October Notice to readers: New surveillance case definition for traumatic brain injury (TBI)
1998 December Tick-borne encephalitis vaccine, Bosnia-Herzegovina

Breast

2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2009 October Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

Brucellosis

MSMR Index November 2019
Brucellosis in a soldier who recently returned from Iraq

Acquired hallux valgus (bunions), U.S. Armed Forces, 1998 - 1999

Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the military health system, 2013

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2012

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2011

Brief report: Morbidity burdens attributable to illnesses and injuries in deployed (per Theater Medical Data Store [TMDS]) compared to nondeployed (per Defense Medical Surveillance System [DMSS]) settings, active component, U.S. Armed Forces, 2010

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010

Surveillance Snapshot: Illness and injury burdens among U.S. military recruits, 2010

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009

Surveillance Snapshot: Illness and injury burdens among U.S. military recruits, 2009

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2007

Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2006

Estimates of absolute and relative health care burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2004

Estimates of absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2003

Relative burdens of selected illnesses and injuries, U.S. Armed Forces, 2002

Relative burdens of selected illnesses and injuries, U.S. Armed Forces, 2001

Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016

Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014

Incidence of Campylobacter infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013

An outbreak of Campylobacter enteritis associated with a community water supply on a U.S. military installation

Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016

Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015
### Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014

### Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014

- **2016 July**: Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014

### Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012

- **2013 September**: Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012

### Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, 2000-2011

- **2012 June**: Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, 2000-2011

### Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009

- **2010 June**: Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009

### Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

- **2009 October**: Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

### Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008

- **2008 November**: Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008

### Breast cancer among female soldiers, 1998 - 1999

### Skin cancer, U.S. Armed Forces, 1998-1999

### Clinically significant carbon monoxide poisoning, active and reserve components, U.S. Armed Forces, July 1998 - June 2008

- **2008 October**: Clinically significant carbon monoxide poisoning, active and reserve components, U.S. Armed Forces, July 1998 - June 2008

### Carbon Monoxide Poisoning in a Family of Five, Olsbrucken, Germany

- **2001 February**: Carbon Monoxide Poisoning in a Family of Five, Olsbrucken, Germany

### Carbon Monoxide Poisoning in Active Duty Soldiers, 1998-1999

- **2001 February**: Carbon Monoxide Poisoning in Active Duty Soldiers, 1998-1999

### Carbon monoxide intoxication, Ft. Hood and Ft. Campbell

- **1997 December**: Carbon monoxide intoxication, Ft. Hood and Ft. Campbell

### Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001–31 December 2017

- **2019 January**: Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001–31 December 2017

### Surveillance snapshot: Cardiovascular-related deaths during deployment, U.S. Armed Forces, October 2001–December 2012

### Incidence rates of diagnoses of cardiovascular diseases and associated risk factors, active component, U.S. Armed Forces, 2007-2016

### Incidence and prevalence of select cardiovascular risk factors and conditions, active component, U.S. Armed Forces, 2003-2012

- **2013 December**: Incidence and prevalence of select cardiovascular risk factors and conditions, active component, U.S. Armed Forces, 2003-2012

### Brief report: deaths attributed to underlying cardiovascular diseases, active and reserve components, U.S. Armed Forces, 1998-2012

- **2013 December**: Brief report: deaths attributed to underlying cardiovascular diseases, active and reserve components, U.S. Armed Forces, 1998-2012

### Brief report: hospitalizations for acute myocardial infarction, active component, U.S. Armed Forces, 2004-2012

### Carpal tunnel syndrome, active component, U.S. Armed Forces, 2000-2010

- **2011 July**: Carpal tunnel syndrome, active component, U.S. Armed Forces, 2000-2010

### Carpal tunnel syndrome, U.S. soldiers, 1998-1999

- **2000 May/June**: Carpal tunnel syndrome, U.S. soldiers, 1998-1999

### Case report: A possible case of psittacosis at Fort Carson, CO

- **2019 July**: Case report: A possible case of psittacosis at Fort Carson, CO

### Re-evaluation of the MSMR Case definition for Incident Cases of Malaria

- **2019 February**: Re-evaluation of the MSMR Case definition for Incident Cases of Malaria

### Acute flaccid myelitis: Case report

- **2019 January**: Acute flaccid myelitis: Case report

### Assessment of ICD-9-based case definitions for influenza-like illness surveillance

- **2015 September**: Assessment of ICD-9-based case definitions for influenza-like illness surveillance

### Deriving case counts from medical encounter data: considerations when interpreting health surveillance report

- **2009 December**: Deriving case counts from medical encounter data: considerations when interpreting health surveillance report

*MSMR Index November 2019*
Notice to readers: New surveillance case definition for traumatic brain injury (TBI)

**Cellulitis, abscess**

- 2013 December: Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
- 2013 January: Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
- 2006 May/June: Cellulitis and abscess, active components, U.S. Armed Forces, 2002-2005

**Characteristics**

- 2013 November: Surveillance snapshot: age and gender distribution of service members, active component, U.S. Armed Forces, compared to the U.S. population, 2011
- 2006 April: Characteristics, demographic and military, U.S. Armed Forces, 2005
- 2004 May/Junel: Frequencies and characteristics of medical evacuations of soldiers by air (with emphasis on non-battle injuries), Operations Enduring Freedom/Iraqi Freedom (OEF/OIF), January-November 2003
- 2002 March/April: Characteristics of active duty personnel
- 2001 April: Characteristics of active duty personnel

**Chlamydia**

- 2019 July: Case report: A possible case of psittacosis at Fort Carson, CO
- 2016 February: Sexually transmitted infections in U.S. Air Force recruits in basic military training
- 2014 November: Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
- 2013 February: The changing landscape of controlling sexually transmitted infections in the U.S. Military
- 2013 February: Sexually transmitted infections, active component, U.S. Armed Forces, 2000-2012
- 2013 February: Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
- 2013 February: Chlamydia trachomatis screening initiative among U.S. Army soldiers assigned to Korea
- 2010 August: Brief report: Recurrent chlamydia diagnoses, active component, 2000-2009

**Coccidioidomycosis**

- 2014 June: The geographic distribution of incident coccidioidomycosis among active component service members, 2000–2013
### Pulmonary and extrapulmonary coccidioidomycosis, active component, U.S. Armed Forces, 1999-2011

December 2012

### Historical perspective: coccidioidomycosis in the U.S. military and military-associated populations

December 2012

### Coccidioidomycosis, active component, U.S. Armed Forces, January 2000-June 2012

September 2012

### Surveillance snapshot: Coccidioidomycosis diagnoses by location, active component, 2000-2009

December 2010

### Cold, CWI

#### 2019
- **November**: Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2014–June 2019
- **November**: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2009–June 2019

#### 2018
- **October**: Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2013–June 2018
- **June**: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2008–June 2018

#### 2017
- **October**: Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2012–June 2017
- **June**: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2007–June 2017

#### 2016
- **October**: Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2011–June 2016
- **June**: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2006–June 2016

#### 2015
- **October**: Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2010–June 2015

#### 2014
- **October**: Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2009–June 2014
- **June**: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2004–June 2014

#### 2013
- **October**: Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2008–June 2013
- **June**: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2003–June 2013

#### 2012

*MSMR Index November 2019*
2013 July Editorial: The mental health of our deploying generation
2012 February Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011
2010 April Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
2010 February Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009
2009 September Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007
2008 May Prescriptions for psychotropic medications within one year before deployment: the experience of a U.S. Army combat unit, 2007
2007 Sep/Oct Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
2006 September Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007
2005 May Prescriptions for psychotropic medications within one year before deployment: the experience of a U.S. Army combat unit, 2007
2004 September Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007
2003 May Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007
2002 September Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007
2001 September Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007
2000 September Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007

Complementary

2016 July Use of complementary health approaches at military treatment facilities, active component, U.S. Armed Forces, 2010–2015

Completeness

2004 July/August Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2003
2004 July/August Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Naval medical treatment facilities, 1998-2003
2004 July/August Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2003
2003 July/August Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2002
2003 July/August Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Naval medical treatment facilities, 1998-2002
2003 July/August Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2002
2002 July Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2001
2002 July Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Naval medical treatment facilities, 1998-2001
2001 May/June Completeness and Timeliness of Reporting of Hospitalized Notifiable Cases, U.S. Army, 2000
2000 December Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January -
Completeness of reporting of hospitalized cases of reportable medical events, U.S. Navy, January 1998 - June 2000

Completeness and timeliness, 1999

Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January 1999 - June 1999

Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Navy, January 1998 - June 1999

Completeness and timeliness of reporting

Completeness and timeliness of required disease reporting

Contraception

Vasectomy and vasectomy reversals, active component, U.S. Armed Forces, 2000–2017

Death, mortality

Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014

Deployment-related conditions of special surveillance interest

Deployment-related conditions of special surveillance interest

Deployment-related conditions of special surveillance interest

Deployment-related conditions of special surveillance interest

Deployment-related conditions of special surveillance interest

Deployment-related conditions of special surveillance interest

Deployment-related conditions of special surveillance interest

Suicides and suicide attempts among active component members of the U.S. Armed Forces, 2010–2012: Methods of self-harm vary by major geographic region of assignment

Deployment-related conditions of special surveillance interest

Brief report: deaths attributed to underlying cardiovascular diseases, active and reserve components, U.S. Armed Forces, 1998-2012

Update: motor vehicle-related deaths, active and reserve components, U.S. Armed Forces, 1999-2012

Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011

Deaths by suicide while on active duty, active and reserve components, U.S. Armed Forces, 1998-2011

Deaths by suicide while on active duty, active and reserve components, U.S. Armed Forces, 2000-2011

Deaths while on active duty in the U.S. Armed Forces, 1990-2011

Motorcycle and other motor vehicle accident-related deaths, U.S. Armed Forces, 1999-2010

Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009

Motor vehicle-related deaths, U.S. Armed Forces, 2009

Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces

Deaths while on active duty in the U.S. Armed Forces, 1990-2008

Surveillance Snapshot: Deaths among active component service members, 1990-2008

Mortality among members of active components, U.S. Armed Forces, 2004

Predictors of accidental death in male soldiers, 1990-1998

MSMR Index November 2019
Diabetes, glucose tolerance

- 2018 March
  Incidence rates of diagnoses of cardiovascular diseases and associated risk factors, active component, U.S. Armed Forces, 2007-2016
- 2017 January
- 2014 October
- 2010 July
  Surveillance snapshot: Abnormal glucose tolerance test
- 2009 February
  Diabetes mellitus, active component, U.S. Armed Forces, 1997-2007
- 2008 May
  Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007
- 1999 December
  Incidence of diabetes mellitus among active duty service members, U.S. Armed Services 1998

Diarrhea, gastroenteritis

- 2019 June
  Norovirus outbreak in Army service members, Camp Arifjan, Kuwait, May 2018
- 2019 June
  Outbreak of cyclosporiasis in a U.S. Air Force training population, Joint Base San Antonio–Lackland, TX, 2018
- 2018 August
  Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
- 2017 July
  Incidence of gastrointestinal infections among U.S. active component service members stationed in the U.S. compared to U.S. civilians, 2012–2014
- 2017 July
  Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
- 2017 July
- 2017 June
- 2017 June
- 2017 June
- 2017 June
  Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach
- 2017 June
- 2017 June
- 2016 June
- 2015 June
  Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014

MSMR Index November 2019
Incidence of Salmonella infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013

Incidence of Campylobacter infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013

An outbreak of Campylobacter enteritis associated with a community water supply on a U.S. military installation

Reported gastrointestinal infections in the U.S. Air Force, 2000–2012

Outbreak of Gastrointestinal Illness During Operation New Horizons in Pisco, Peru, July 2012

Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011

Historical perspective: Norovirus gastroenteritis outbreaks in military forces

Acute Gastroenteritis Outbreak at the Armed Forces Retirement Home, Washington, DC

Surveillance Snapshot: Gastroenteritis-related Hospitalizations, 2001-2010

Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006

Norwalk-like viral gastroenteritis outbreak, Fort Bliss

Foodborne outbreak, Salmonella gastroenteritis

Gastroenteritis outbreaks among military trainees

Shigella sonnei diarrheal outbreaks

Diarrhea outbreak - Croatia

Surveillance trends: Bacterial diarrhea

Diarrheal outbreak, UN battalion, Haiti

Top ten corner: Disability evaluations

Medical evacuations, active and reserve components, U.S. Armed Forces, 2013–2015

Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011

Disease and nonbattle injury surveillance among deployed U.S. Armed Forces: Bosnia-Herzegovina, Kosovo, and Southwest Asia, July 2000-September 2001

Bosnia update: DNBI hospitalizations

Bosnia update: DNBI hospitalizations

Bosnia update: DNBI Hospitalizations

Bosnia update: DNBI Hospitalizations

Bosnia update: DNBI Hospitalizations

Accidental drownings and near-drownings, active component, U.S. Armed Forces, 2013–2017

Drug, substance use

2019 August Epidemiology of impulse control disorders and association with dopamine agonist exposure, active component, U.S. Armed Forces, 2014–2018
2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2018 March Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016
2012 November Substance Use Disorders in the U.S. Armed Forces, 2000–2011

Duty, lost

2002 Sep/Oct Installation specific lost duty time reports: hospitalization and ambulatory encounters at the installation level - overall experience of the U.S. Army, August 2002
1999 April Hospitalization-related lost duty days
1999 April Hospitalization-related lost duty rates
1998 April Total active duty hospital sick days
1998 April Noneffective rates, active duty hospitalizations
1997 March Non-effective rates, active duty hospitalizations
1995 June Top ten corner: Causes of lost duty days

E. coli, Escherichia coli

2016 March Correlation between antimicrobial resistance in Escherichia coli infections in hospitalized patients and rates of inpatient prescriptions for selected antimicrobial agents, Department of Defense hospitals, 2010–2014
2015 June Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014
2013 August Septicemia diagnosed during hospitalizations, active component service members, U.S. Armed Forces, 2000-2012
2013 August Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
1997 July/August E. coli O:157:H7, Fort Lewis
1995 December Escherichia coli 0157:H7, Fort Leavenworth, KS

Editorial, commentary

2019 November Editorial: Mitigating the risk of disease from tick-borne encephalitis in U.S. military populations
2019 September Editorial: The Department of Defense/Veterans Affairs Vision Center of Excellence
2018 November Editorial: Malaria in the Korean peninsula: Risk factors, latent infections, and the possible role of tafenoquine, a new antimalarial weapon
2018 August Contributions from the Global Emerging Infections Surveillance (GEIS) network
2016 February Editorial: What’s old is new again: Syphilis in the U.S. Army
2014 January Editorial: the military and its potential role in malaria elimination
2013 July Editorial: The mental health of our deploying generation
2013 May Editorial: Can the active component U.S. Military achieve tuberculosis elimination?
2013 April Editorial: signature scars of a long war
2013 March Challenges in monitoring and maintaining the health of pilots engaged in telewarfare
2013 February The changing landscape of controlling sexually transmitted infections in the U.S. Military
2013 January Editorial: presumptive anti-relapse treatment for malaria in military forces
2012 April "Military importance": what does it mean and can it be assessed objectively?
2012 January Editorial: Malaria in the U.S. Armed Forces: A persistent but preventable threat
1999 April Editorial

2014 August Deployment-related conditions of special surveillance interest
2009 August Deep vein thromboembolism among members of active and reserve components, U.S. Armed Forces, 1999-2008

Emergency

2011 May Surveillance Snapshot: Emergency departments visits for traumatic brain injury

Encephalitis

2019 November Editorial: Mitigating the risk of disease from tick-borne encephalitis in U.S. military populations
2019 November Tick-borne encephalitis surveillance in U.S. military service members and beneficiaries, 2006–2018
2019 November Case report: Tick-borne encephalitis virus infection in beneficiaries of the U.S. military healthcare system in southern Germany
1998 December Tick-borne encephalitis vaccine, Bosnia-Herzegovina

Endocrine

2019 March Testosterone replacement therapy use among active component service men, 2017
2018 December Thyroid disorders, active component, U.S. Armed Forces, 2008–2017
2018 December Incidence and prevalence of the metabolic syndrome using ICD-9 and ICD-10 diagnostic codes, active component, U.S. Armed Forces, 2002–2017
2012 October Thyroid disorders among active component military members, U.S. Armed Forces, 2002-2011

Envenomation, Venom, Bite

2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010

MSMR Index November 2019
### Surveillance Snapshots

#### 2009 June
Surveillance Snapshot: Envenomations

#### 2007 December
Diagnoses of "envenomations" in relation to diagnoses of skin and soft tissue infections due to staphylococci/penicillin resistant bacteria, U.S. Military Members, January 2002-October 2007

#### 2000 March
Envenomations of active duty soldiers, October 1997 - September 1999

#### 1997 November
Arthropod, lizard, and snake envenomations

#### 1997 May/June
Brown recluse spider bites among infantry trainees

### Epilepsy

#### 2017 December

#### 2013 May
Epilepsy in active component service members, 1998-2012

### Esophagus

#### 2016 August

#### 2015 July

### Evacuations

#### 2019 May
Medical evacuations out of the U.S. Central Command, active and reserve components, U.S. Armed Forces, 2018

#### 2019 January
Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001– 31 December 2017

#### 2018 October

#### 2018 July
Update: Medical evacuations, active and reserve components, U.S. Armed Forces, 2017

#### 2017 February
Medical evacuations, active and reserve components, U.S. Armed Forces, 2013–2015

#### 2013 August
Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

#### 2013 August
Letter to the Editor

#### 2013 June
Medical evacuations from Afghanistan during Operation Enduring Freedom, active and reserve components, U.S. Armed Forces, 7 October 2001-31 December 2012

#### 2012 February

#### 2012 February
Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011

#### 2011 February
Causes of medical evacuations from Operations Iraqi Freedom (OIF), New Dawn (OND) and Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-September 2010

#### 2010 February
Medical evacuations from Operation Iraqi Freedom (OIF) and Operation Enduring Freedom (OEF), active and Reserve components, U.S. Armed Forces, October 2001-September 2009

#### 2010 February
Surveillance Snapshot: Medical evacuations for humeral fractures due to arm wrestling

#### 2009 October
Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

#### 2004 May/June
Frequencies and characteristics of medical evacuations of soldiers by air (with emphasis on non-battle injuries), Operations Enduring Freedom/Iraqi Freedom (OEF/OIF), January-November 2003

### Examination

#### 2007 January
Relationships between abnormal findings during medical examinations and subsequent diagnoses of significant conditions, active components, U.S. Armed Forces, January 1998-October 2006

#### 2006 December
Incident Abnormal Findings Within 30 Days of Medical Examinations, active components, U.S. Armed Forces, January 1998-October 2006

### Exertion, exercise

#### 2019 April
Update: Exertional rhabdomyolysis, active component, U.S. Armed Forces, 2014–2018

#### 2019 April
Update: Exertional hyponatremia, active component, U.S. Armed Forces, 2003–2018

1997 January  *Gastroenteritis* outbreaks among military trainees
1996 November  Shigella sonnei diarrheal outbreaks
1996 October  Diarrhea outbreak - Croatia
1995 October  Surveillance trends: Bacterial diarrhea
Diarrheal outbreak, UN battalion, Haiti

Gastrointestinal disorders

Norovirus outbreak in Army service members, Camp Arifjan, Kuwait, May 2018
Outbreak of cyclosporiasis in a U.S. Air Force training population, Joint Base San Antonio–Lackland, TX, 2018
Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
Incidence of gastrointestinal infections among U.S. active component service members stationed in the U.S. compared to U.S. civilians, 2012–2014
Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017

Gonorrhea

Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018
Incident and recurrent Chlamydia trachomatis and Neisseria gonorrhoeae infections, active component, U.S. Armed Forces, 2010-2014
Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006-2012
Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
The U.S. Military's Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries

Guillain-Barré Syndrome

Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
GBS following Influenza immunization

Hantavirus

Puumala hantavirus outbreak among U.S. military health care beneficiaries, Stuttgart, Germany – 2012

Hearing

Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
U.S. Army Hearing Conservation Program (HCP)

HEARS

Preliminary data: HEARS
Heat

2019 April Incidence, timing, and seasonal patterns of heat illnesses during U.S. Army basic combat training, 2014–2018
2019 April Update: Heat illness, active component, U.S. Armed Forces, 2018
2019 April Update: Exertional rhabdomyolysis, active component, U.S. Armed Forces, 2014–2018
2018 April Update: Heat illness, active component, U.S. Armed Forces, 2017
2011 October Surveillance Snapshot: Reportable medical events of heat injury in relation to heat index, June-September 2011
2006 July Heat-related injuries, U.S. Army, 2005
2000 March Heat-related injuries among active duty soldiers and Marines, 1997-1999
1998 January Heat / cold injuries
1997 September Heat injuries in active duty soldiers
1997 January Heat / Cold weather injuries
1996 December Reported heat and cold weather injuries
1996 October Heat / Cold weather injuries
1996 June/July Heat / Cold weather injuries, Jan - Jun, 1996
1996 May Heat / Cold weather injuries, Jan - Apr, 1996
1996 January Heat / Cold weather injuries
1995 October Heat / Cold weather injuries
1995 August Heat related Injuries, July 1995
1995 August Heat / Cold weather injuries, Jan - Jul, 1995
1995 August Classification and disposition of heat injuries

MTF

1995 April Reports submitted by MTFs

Multiple sclerosis

2017 August Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016

Mumps

2019 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 1 January 2016–30 June 2019
2017 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
2007 Feb/Mar Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004
2006 October Incidence of mumps in relation to universal MMR vaccination versus vaccination after serological screening of U.S. military recruits, 2000-2004

Musculoskeletal disorders

2016 January Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
2013 June Arm and shoulder conditions, active component, U.S. Armed Forces, 2003-2012
2012 May Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
2000 August Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999
1998 Oct/Nov Hospitalizations and outpatient visits, musculoskeletal disorders

Myocardial infarction

2019 January Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001–31 December 2017

MSMR Index November 2019

Neoplasm

Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015
Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014
Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014
Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2001-2012
Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014
Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009
Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009
Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008
Breast cancer among female soldiers, 1998 - 1999

Neurological disorders

Epidemiology of impulse control disorders and association with dopamine agonist exposure, active component, U.S. Armed Forces, 2014–2018
Acute flaccid myelitis: Case report
Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
Epilepsy in active component service members, 1998-2012
Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998-2010
Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998-2010

Noise

Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
Non-effective

1997 March Hospitalizations and non-effective days, 1996
1997 March Non-effective rates, active duty hospitalizations
1996 April Non-effective rates
1995 April Non-Effective Rates

Norovirus

2019 June Norovirus outbreak in Army service members, Camp Arifjan, Kuwait, May 2018
2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2017 July Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
2011 November Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011
2011 November Notice to readers: Department of Defense laboratory capabilities for testing for norovirus infection
2011 November Historical perspective: Norovirus gastroenteritis outbreaks in military forces
2007 June Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006

Nosocomial infection

2013 August Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

Notices to Readers

2016 January MSMR's invitation to readers
2015 October Invitation to MSMR readers
2015 September Invitation to MSMR readers
2015 August Invitation to MSMR readers
2015 July Invitation to MSMR readers
2015 June Invitation to MSMR readers
2015 May Invitation to MSMR readers
2011 November Notice to readers: Department of Defense laboratory capabilities for testing for norovirus infection
2011 June Duration of Service after Overweight-related Diagnoses, active component, U.S. Armed Forces, 1998-2010

Obesity, Overweight, Body Mass Index, Eating

2018 December Incidence and prevalence of the metabolic syndrome using ICD-9 and ICD-10 diagnostic codes, active component, U.S. Armed Forces, 2002–2017
2011 June Duration of Service after Overweight-related Diagnoses, active component, U.S. Armed Forces, 1998-2010

2005 April  Ambulatory visits among active component members, U.S. Armed Forces, 2004
2004 April  Ambulatory visits among active component members, U.S. Armed Forces, 2003
2003 April  Ambulatory visits among active duty members, U.S. Armed Forces, 2002
2002 Sep/Oct  Installation specific lost duty time reports: hospitalization and ambulatory encounters at the installation level - overall experience of the U.S. Army, August 2002
2002 March/April  Ambulatory visits among active duty personnel
2001 April  Ambulatory visits among active duty personnel
2000 April  Summary of ambulatory visits, U.S. Army, 1999
1999 April  Supplement #2: Ambulatory summary, 1998
1999 April  Active duty ambulatory visits
1999 April  Active duty ambulatory rates
1998 Oct/Nov  Hospitalizations and outpatient visits, musculoskeletal disorders

Palsy

Papillomavirus, human (HPV)

2019 March  Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018
2018 September  Human papillomavirus vaccine initiation, coverage, and completion rates among U.S. active component service members, 2007–2017
2017 September  Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
2016 February  Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
2016 February  Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2013 February  Human papillomavirus seroprevalence among men entering military service and seroincidence after ten years of service
2013 February  Incidence of genital warts among U.S. service members before and after the introduction of the quadrivalent human papillomavirus vaccine
2012 May  Brief report: quadrivalent human papillomavirus vaccine initiation, coverage, and compliance among active component service women, 2006-2011

MSMR Index November 2019
Pertussis

2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2014 June Surveillance snapshot: states with the most pertussis diagnoses among service members and other beneficiaries of the Military Health System, January 2012–June 2014
2012 August Pertussis diagnoses among service members and other beneficiaries of the U.S. Military Health System, January 2005-June 2012
2010 December Surveillance snapshot: Pertussis diagnoses among service members and other beneficiaries of the U.S. Military Health System, January 2008-November 2010

Pilonidal cyst

2013 December Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012

Plantar fasciitis

2010 July Surveillance snapshot: Plantar fasciitis

Pneumococcus

2009 March Field investigation: Fatal pneumococcal meningitis, Fort Leonard Wood, Missouri, February 2009
2009 March Surveillance snapshot: Immunization against and incidence of pneumococcal disease
1999 May Pneumococcal pneumonia outbreak, Fort Benning

Pneumonia

2019 July Case report: A possible case of psittacosis at Fort Carson, CO
2015 September Deployment-related conditions of special surveillance interest
2015 July Deployment-related conditions of special surveillance interest
2015 June Deployment-related conditions of special surveillance interest
2015 May Deployment-related conditions of special surveillance interest
2014 May Deployment-related conditions of special surveillance interest
2013 May Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?
2012 September Pneumonia and influenza among military members and other beneficiaries of the U.S. military health system, 2007-2012
2006 Jan/Feb Pneumonia and influenza among non-military beneficiaries of the U.S. military health system, January 2001 - December 2004
1999 May Pneumococcal pneumonia outbreak, Fort Benning
1997 February Pneumonia among active duty soldiers 1990-1996

MSMR Index November 2019
Poisoning, Exposure

2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
2001 February Carbon Monoxide Poisoning in a Family of Five, Olsbrucken, Germany
1997 December Carbon monoxide intoxication, Ft. Hood and Ft. Campbell
1995 December Hydrogen sulfide exposure, Ft Irwin
1995 April Chemical agent exposure, Germany

Pregnancy, Childbirth

2019 June Female infertility, active component service women, U.S. Armed Forces, 2013–2018
2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015 May Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013 August Letter to the Editor
2011 December Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011 December Brief report: Births, active component, 2001-2010
2010 November Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2001 July Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999
1995 October Mefloquine use in pregnant soldiers

Prescriptions, Medications

MSMR Index November 2019
Epidemiology of impulse control disorders and association with dopamine agonist exposure, active component, U.S. Armed Forces, 2014–2018

Testosterone replacement therapy use among active component service men, 2017

Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016

Acetaminophen overdoses, active component, U.S. Armed Forces, 2006–2015

Brief report: Rate of prescriptions by therapeutic classification, active component, U.S. Armed Forces, 2014

Editorial: Mitigating the risk of disease from tick-borne encephalitis in U.S. military populations

Tick-borne encephalitis surveillance in U.S. military service members and beneficiaries, 2006–2018

Case report: Tick-borne encephalitis virus infection in beneficiaries of the U.S. military healthcare system in southern Germany

Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2014–June 2019

Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 1 January 2016–30 June 2019

Animal bites and rabies post-exposure prophylaxis, active and reserve components, U.S. Armed Forces, 2011–2018

Evaluation of serological testing for Lyme disease in Military Health System beneficiaries in Germany, 2013–2017

Historical review: Rickettsial diseases and their impact on U.S. military forces

Surveillance snapshot: Incidence of rickettsial diseases among active and reserve component service members, U.S. Armed Forces, 2010–2018

Update: Malaria, U.S. Armed Forces, 2017

Sentinel reportable medical events, service members and other beneficiaries of the U.S. military health system, first calendar quarter, 2012 versus 2011

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through November of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through May of 2009 and 2010

Rickettsia

2019 August  Historical review: Rickettsial diseases and their impact on U.S. military forces
2015 August  Case report: Probable murine typhus at Joint Base San Antonio, TX

Risk

2009 December  Risk factors for migraine after OEF/OIF deployment, active component, U.S. Armed Forces
1997 September  Risk factor analysis (part II), hospitalizations, OJE
1997 May/June  Risk factor analysis (part I), hospitalizations, OJE
1997 May/June  STD trends, risk correlates and recurrences
Ross River
1997 October Ross River virus disease, Exercise Tandem Thrust 97

Rubella
2019 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 1 January 2016–30 June 2019
2017 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
2007 Feb/Mar Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004
1995 May Rubella outbreak in German troops, Ft. Bragg

Salmonella
2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2015 January Incidence of Salmonella infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
1998 September Foodborne outbreak, Salmonella gastroenteritis

Sarcoidosis

Septicemia
2013 August Septicemia diagnosed during hospitalizations, active component service members, U.S. Armed Forces, 2000-2012

Sexually transmitted disease, STD, STI
2019 March Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018
2018 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2013–June 2018
2018 September Human papillomavirus vaccine initiation, coverage, and completion rates among U.S. active component service members, 2007–2017
2017 September Review of the U.S. military’s human immunodeficiency virus program: a legacy of progress and a future of promise
2017 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2012–June 2017
2017 September Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
2016 March Brief report: The epidemiology of herpes simplex virus type 2 infections in a large cohort of HIV-infected patients, 2006–2014
2016 February Editorial: What’s old is new again: Syphilis in the U.S. Army
2016 February Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination

MSMR Index November 2019
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2015 September Incidence of syphilis, active component, U.S. Armed Forces, 1 January 2010 through 31 August 2015
2014 November Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 February The changing landscape of controlling sexually transmitted infections in the U.S. Military
2013 February Sexually transmitted infections, active component, U.S. Armed Forces, 2000-2012
2013 February Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
2013 February Chlamydia trachomatis screening initiative among U.S. Army soldiers assigned to Korea
2013 February Incidence of genital warts among U.S. service members before and after the introduction of the quadrivalent human papillomavirus vaccine
2013 February Human papillomavirus seroprevalence among men entering military service and seroincidence after ten years of service
2013 February The U.S. Military's Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries
2012 July Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
2012 May Quadrivalent human papillomavirus vaccine initiation, coverage, and compliance among active component service women, 2006-2011
1999 Oct/Nov Sentinel reportable STDs
1999 June/July Sentinel reportable STD's, 1999 (vs. 1998)

Shigella

2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016

MSMR Index November 2019
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

2010 August Upsurge in reported cases of Shigella sonnei, Fort Hood, Texas
1997 July/August Shigella sonnei, Fort Bragg, North Carolina
1996 November Shigella sonnei diarrheal outbreaks
1996 April Shigellosis case reports, WRAMC

Skin, Rash, Dermatitis

2018 March Herpes zoster, active component, U.S. Armed Forces, 2000-2016
2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2014 August Spread of vaccinia virus through shaving during military training, Joint Base San Antonio–Lackland, TX, June 2014
2013 December Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
2013 December Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
2011 July Plant dermatitis, active component, U.S. Armed Forces, 2001-2010
1996 Aug/Sep Rash illness outbreak among British Soldiers
1996 April Rash outbreaks, U.S. forces operating in Belgium
1995 September Dermatitis outbreak, Heidelberg, Germany

Sleep

2010 May Surveillance Snapshot: Sleep studies

Snake

1997 November Arthropod, lizard, and snake envenomations

Spider

1997 May/June Brown recluse spider bites among infantry trainees

MSMR Index November 2019
Spine

2016 January Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000

2012 May Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011

2010 July Thoracolumbar spine fractures, active and reserve components, 2000-2009

Staphylococcal infections

2018 August Brief report: Pre- and post-deployment prevalence of Staphylococcus aureus colonization among U.S. Navy submariners

2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014

2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012

Stone

2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010

Strength

2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces

2003 Sep/Oct Active duty force strength by medical treatment facility locations, U.S. Army

2002 July Active duty force strength by military treatment facility, U.S. Army, April 2002

2002 March/April Characteristics of active duty personnel

2001 April Characteristics of active duty personnel

2001 January Supplement #1: Reportable medical events; Reportable events, by quarter, 2000; Reportable events, by patient category, 1999-2000; Active duty force strength (September 2000)

2000 Sep/Oct Active duty force strength (June 2000)

2000 August Force Strength, Active Duty Soldiers, April 2000

2000 April Force strength, U.S. Army, December 1999

2000 February Correction: Force strength, active duty soldiers (September 1999)

2000 January Supplement #1: Reportable medical events; Reportable events, by quarter, 1999; Reportable events, by patient category, 1998-1999; Active duty force strength (September 1999)

1999 Oct/Nov Active duty force strength (June 1999)

1999 June/July Active duty force strength (March 1999)

1999 June/July Active duty, 1985-1999

1999 April Force strength (December 1998)

1999 Jan/Feb Active duty force strength, September 1998

1998 Oct/Nov Active duty force strength (June 1998)

1998 July/August Active duty force strength (March 1998)

1998 April Force strength (December 1997)

1998 January Force strength (September 1997)

1997 October Force strength (June 1997)

1997 July/August Force strength (March 1997)

1997 March Force strength (December 1996)

1997 January Force strength (September 1996)

1996 December Force Strength (June, 1996)

1996 April Force strength (December 1995)

MSMR Index November 2019
**Streptococcal Infections**

- 2013 June Outbreak of Group A beta hemolytic Streptococcus pharyngitis in a Peruvian military facility, April 2012
- 2010 April Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
- 2007 Sep/Oct Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
- 1997 February Group A beta hemolytic streptococcus among trainees
- 1995 November Streptococcal TSS - Fort Leonard Wood, MO

**Strongyloides**

- 1996 May Strongyloides stercoralis hyperinfection

**Substance, Drug Use**

- 2019 August Epidemiology of impulse control disorders and association with dopamine agonist exposure, active component, U.S. Armed Forces, 2014–2018
- 2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
- 2016 November Acetaminophen overdoses, active component, U.S. Armed Forces, 2006–2015
- 2012 November Substance Use Disorders in the U.S. Armed Forces, 2000-2011

**Suicide**

- 2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
- 2014 October Suicides and suicide attempts among active component members of the U.S. Armed Forces, 2010–2012: Methods of self-harm vary by major geographic region of assignment
- 2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
- 2012 September Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
- 2012 June Deaths by suicide while on active duty, active and reserve components, U.S. Armed Forces, 1998-2011
- 2012 February Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
- 2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
- 2011 April Surveillance Snapshot: Hospitalizations for suicidal ideation, active component, 2005-2010
- 2007 Feb/Mar Stressors Prior to and Methods of Suicide, U.S. Air Force, 2000-2005

Syncope

2013 November Syncope among U.S. Air Force Basic Military Trainees, August 2012-July 2013
2013 November Syncope, active and reserve components, U.S. Armed Forces, 1998-2012

Syphilis

2019 March Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018
2017 September Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
2016 February Editorial: What’s old is new again: Syphilis in the U.S. Army
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2015 September Incidence of syphilis, active component, U.S. Armed Forces, 1 January 2010 through 31 August 2015

Tendon

Tetanus

1997 January Tetanus, Fort Bragg, North Carolina

Training, Recruits

2019 July Infectious mononucleosis, active component, U.S. Armed Forces, 2002–2018
2019 June Outbreak of cyclosporiasis in a U.S. Air Force training population, Joint Base San Antonio–Lackland, TX, 2018
2019 May Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2018
2019 April Incidence, timing, and seasonal patterns of heat illnesses during U.S. Army basic combat training, 2014–2018
2019 February Outbreak of acute respiratory illness associated with adenovirus type 4 at the U.S. Naval Academy, 2016
2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2018 May Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2017
2017 August Challenges with diagnosing and investigating suspected active tuberculosis disease in military trainees

MSMR Index November 2019
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2015 December Follow-up analysis of the incidence of acute respiratory infections among enlisted service members during their first year of military service before and after the 2011 resumption of adenovirus vaccination of basic trainees
2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2014 November An outbreak of Campylobacter enteritis associated with a community water supply on a U.S. military installation
2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 July Mental disorders and mental health problems among recruit trainees, U.S. Armed Forces, 2000-2012
2013 May Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?
2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
2012 March Initial assessment of impact of adenovirus type 4 and type 7 vaccine on febrile respiratory illness and virus transmission in military basic trainees, March 2012
2012 March Surveillance Snapshot: adenovirus among U.S. military recruit trainees
2010 June Acute respiratory disease, basic training centers, U.S. Army, July 2008-July 2010
2010 May Acute respiratory disease, basic training centers, U.S. Army, August 2009-May 2010
2010 April Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
2010 April Surveillance Snapshot: Illness and injury burdens among U.S. military recruits
2010 March Acute respiratory disease, basic training centers, U.S. Army, March 2008-March 2010
2010 February Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009
2010 February Acute respiratory disease, basic training centers, U.S. Army, February 2008-February 2010
2009 November Acute respiratory disease, basic training centers, U.S. Army, November 2007-November 2009
2009 October Acute respiratory disease, basic training centers, U.S. Army, October 2007-October 2009
2009 September Acute respiratory disease, basic training centers, U.S. Army, September 2007 - September 2009
2009 July Acute respiratory disease, basic training centers, U.S. Army, June 2007-June 2009
2009 June Acute respiratory disease, basic training centers, U.S. Army, June 2007-June 2009
2009 May Preliminary report: Febrile acute respiratory disease caused by adenovirus type 14, U.S. Coast Guard training center, Cape May, New Jersey, March 2009
2009 February Acute respiratory disease, basic training centers, U.S. Army, February 2007-February 2009
2008 November Acute respiratory disease, basic training centers, U.S. Army, October 2006-October 2008

Evaluation of serological testing for Lyme disease in Military Health System beneficiaries in Germany, 2013–2017

Historical review: Rickettsial diseases and their impact on U.S. military forces

Surveillance snapshot: Incidence of rickettsial diseases among active and reserve component service members, U.S. Armed Forces, 2010–2018

Zika virus surveillance in active duty U.S. military and dependents through the Naval Infectious Diseases Diagnostic Laboratory

Modeling Lyme disease host animal habitat suitability, West Point, New York

Re-evaluation of the MSMR Case definition for Incident Cases of Malaria

Editorial: Malaria in the Korean peninsula: Risk factors, latent infections, and the possible role of tafenoquine, a new antimalarial weapon

Cluster of vivax malaria in U.S. soldiers training near the demilitarized zone, Republic of Korea during 2015

Update: Malaria, U.S. Armed Forces, 2017

Diagnostic evaluation of military blood donors screening positive for Trypanosoma cruzi infection

Incident diagnoses of leishmaniasis, active and reserve components, U.S. Armed Forces, 2001–2016

Update: Malaria, U.S. Armed Forces, 2016

Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016

Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016

Update: Malaria, U.S. Armed Forces, 2015

Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015

Case report: Probable murine typhus at Joint Base San Antonio, TX

Case series: Chikungunya and dengue at a forward operating location

Characterizing the relationship between tick bites and Lyme disease in active component U.S. Armed Forces in the eastern United States

Update: malaria, U.S. Armed Forces, 2014

The geographic distribution of incident Lyme disease among active component service members stationed in the continental United States, 2004–2013

Editorial: the military and its potential role in malaria elimination

Report of two cases of vivax malaria in U.S. soldiers and a review of malaria in the Republic of Korea

Surveillance snapshot: self-reported malaria prophylaxis compliance among service members with diagnosed malaria, 2008-2013

Images in health surveillance: dengue and chikungunya virus vectors and prevention

Update: Malaria, U.S. Armed Forces, 2012

Confirmed malaria cases among active component U.S. Army personnel, January-September 2012

Editorial: presumptive anti-relapse treatment for malaria in military forces

Images in health surveillance: permethrin treatment of uniforms

Images in health surveillance: West Nile virus vectors and prevention

Images in health surveillance: tickborne disease vectors and Lyme disease clinical diagnosis

Five most common arthropod-borne diseases among active duty servicemembers in the U.S. Armed Forces, 1995-1999

Vein, Thromboembolism
